Dear Parents,

All parents are asked to sign and return the note below to their child's class teacher

HAY PUBLIC SCHOOL LOCAL EXCURSION CONSENT FORM (YEAR _____)

LOCAL EXCURSIONS – Often, during the year, teachers escort students to activities at the War Memorial Hall, Hay Park, RSL Cenotaph or to other places in the local community, including the swimming pool. Rather than collect individual consent notes for each activity we are asking you to complete one note for the whole school year to cover your child's participation. For each activity you will always be informed of details, either through Hay Happenings or by a note from class teachers. If, for any reason, you wish to exclude your child from an activity you are asked to send a note in to the class teacher. Students will always be supervised when walking to and from activities covered by this consent form.

I give my child _____ class _____

permission to attend local visits/excursions/school activities organised by Hay Public School. This also includes the swimming pool for water activities. I understand that the school will send home details of planned activities and that the activities will be supervised by teachers.

Signed,(Parent/Carer) (Date)

MEDIA PERMISSION – This note is to cover your student being photographed, filmed, named or interviewed on topics that do not involve current issues or personal insights. This consent applies to school newsletters and documents, e.g. Annual School Report and Magazine, the local press, (e.g. Riverine Grazer), local radio and television, (e.g. 2HayFM, WIN TV), area and regional NSW Department of Education & Training publications and school websites.

HAY PUBLIC SCHOOL MEDIA PERMISSION SLIP (YEAR _____)

I give permission for my child _____ class _____

to be named, photographed, filmed or interviewed in the circumstances outlined above on this consent form in school newsletters and documents, the local press, local radio and television, NSW DET publications and websites and school websites. (Strike out any where consent is not given).

I understand my consent is valid until end of this year and that I may contact the school to review my consent at any time.
