Term 4, Week 1

10th October 2012

Welcome back to Term 4

Principal's Report

Welcome back to Term 4 to what should be a very busy and productive term. Hopefully all students and staff are refreshed, relaxed and ready to tackle the final term for 2012.

New Faces

This term we welcome Miss Laura Maguire to Hay Public School. Miss Maguire hails from the Newcastle area and will be taking over the reins of 3/4M. I am sure that Miss Maguire will enjoy working with the students of 3/4M this term. Also we welcome Miss Rebecca Fattore, a student teacher from LaTrobe University who will be working with Miss King and IK this term.

School Uniform

The weather has been warming up and students should now be wearing their full summer uniform including black school shoes for both boys and girls. Please make sure that your child is dressed neatly and tidily at all times. Students are reminded to wear the correct school, sun-safe hats at all times during play. School hats are for

sale at the front office for \$10 if your student needs a new hat. The rule is no school-hat; you must play under the sheltered areas.

Breakfast Club

Just a reminder a free breakfast program runs every morning in the Stephanie Alexander kitchen. Any student who would like to access this program is asked to be at school between the times of 8:30am and 9:00am where a healthy breakfast will be served. Research shows that students concentrate better in the classroom after eating a good, healthy breakfast in the morning.

P&C

The next P&C meeting will be held tomorrow, Thursday 11th October, in the Ready, Set Kinder room commencing at 2pm. Please consider gathering a table together for the P&C trivia night on October 19th. This will be a great fundraiser for our school and an enjoyable night. Thank you to all P&C members who conducted a working bee to beautify their storage container over the holiday period.

Sport and Recreation's Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$63 for school-aged children and \$46 for preschoolers (prices exclude pool entry fee).
