NSWPSA State Representatives

Principal's Report

State Athletics

Good luck to our athletes, Delilah Crighton, Lauren Mijok, Brait Headon, Kynan Headon, Ben Caughey, Ben Marshall, Sam Curtis, Emily Headon, Lillian Ives, Charlee Masters, Laura Booth, Grace Nisbet and Chloe-Jane Simpson who are participating in the State Athletics Trials at Homebush this week. Thirteen representatives from our small school is an excellent effort and is quite likely a record number of participants from our school at a state trial.

Annual School Report

In preparation for our Annual School Report a parent survey is included in this week's Hay Happenings. We are asking parents to comment on their general level of satisfaction with the school and how well the school provides educational opportunities for students. Please take the time to complete these surveys and return to the Yellow Box as soon as possible. Next week a survey will be sent out regarding the teaching of Mathematics and School Leadership at Hay PS.

Assessment and Reporting

This term teachers will be conducting final assessments in preparation for reporting on the achievements of each student at the end of their current grade level. Students will be assessed against statewide syllabus outcomes and standards using a five point achievement scale. Students who are assessed as 'Sound' are achieving the expected outcomes for the end of their grade. In other words, the student is on track to meet stage outcomes. To achieve an 'Outstanding' or 'High', students need to demonstrate that they are achieving well beyond the outcomes of their expected grade levels. A common misconception made by parents is that students are assessed against the other students in their grade at the school they attend and if they are at the top of that grade, they should be assessed as 'Outstanding'. This is not the case. Students are assessed against statewide standards not school standards.

Ready, Set, Kinder.

Children who have been attending our Ready, Set, Kinder program on Wednesdays have settled into the school routine and have enjoyed many new experiences. Mrs Sarah Houston who has been implementing Ready, Set, Kinder would like to thank Miss Rebecca Jones and Mrs Jenny Healey for their assistance on Wednesdays. With such a big enrolment it is a huge and tiring day for all! As part of their learning about 'Places' they visited Mrs Oatway's office and introduced themselves to Mrs Callaghan and Mrs Dunn at the front office.

Parliament Fund Raiser

Year 6 will be holding a 'GREAT GRADUATION' raffle as one of their final fundraisers for the year. This raffle is open to Year 6 students. There are two prizes, a graduation signature bear for a girl and a graduation signature soccer ball for a boy. All Year 6 students have been issued with a book of 10 raffle tickets. Tickets are \$1 each. The raffle will be drawn at our K-6 Assembly Week 4.

Please return all tickets and money to the yellow box in the front office in a clearly labeled envelope.

Behaviour

As we commence the final term for 2012, I would like to remind Stage 3 students of their responsibilities whilst at school. Many Year 6 students in particular start to display a disregard for our school rules. It is imperative that all students remain focused and on task and continue to abide by our four school rules. This will ensure quality teaching and learning will continue throughout the term and everyone will have a happy and rewarding time. Your cooperation and support in this matter is greatly appreciated.

1. I can do my best
2. I can be in the right place
3. I can respect all people
4. I can respect all property.

Thanks to Miss Burke for the wonderful display in the front office foyer which celebrates the Riverina Taste Food Festival. Please wander in and take a look at the clever use of photos from our kitchen and garden program that Miss Burke has used.

School Equipment

Please ensure your child has the necessary stationery items for school. The minimal requirements are

Blue and red biro Grey led pencil

Ruler Glue stick

It is essential your child has access to these items to ensure their learning is not interrupted.

Sport and Recreation's Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$63 for school-aged children and \$46 for preschoolers (prices exclude pool entry fee).
