Principal's Report

Murrumbidgee in Flood

After the impact of the floods of last week, it is pleasing to have everyone back at school and returned once again to a normal routine. Fortunately our levee banks held and the school and the town remain virtually unscathed. The Hay Shire Council, SES and other volunteer organisations did a marvellous job in keeping the town safe and attending to the levees as problems arose. A big thank you to everyone! We do have some families on the outskirts of the town and on properties that have been affected by the floodwaters and our thoughts and support are extended out to them. It was pleasing to hear that a lot of our students who evacuated were able to attend school in various locations around NSW and Victoria and took the opportunity not to miss school during this time. Reports of students attending in Harden, Mathoura and Wangaratta have been filtering forward and a modified program was implemented at Deniliquin

High School for those students who evacuated there. Thanks to Hay PS staff who assisted in travelling to Deniliquin over the course of last week to teach our students in Deniliquin and thanks to Deniliquin High School for providing the facilities for this to occur. Now that everyone is back on deck, the school can return to its core business of students and their learning.

P&C Fete

Unfortunately it is out of everyone's control as to when these natural disasters occur and many events have had to be re-scheduled. The school fete will not be held this Friday (30th March). It has been postponed to Friday 11th May, the third week of Term 3. Fete planning meetings will continue on Thursdays at 12pm, the first one being held on 5th April in the Ready, Set, Kinder room. Congratulations to the new executive of the Hay PS P&C who were elected at the Annual General Meeting in March. This includes Serena Wall – President, James Bisset & Kylie Brettschneider – Vice Presidents,

Rebecca Debono – Secretary and Mandy Barnes – Treasurer. I look forward to working with these dedicated and committed volunteers over the coming year.

Extra Commitments

It is that time of year again when students in Stage 3 have constant demands on their time with the extra sporting activities that the school and district have on offer. As a consequence, students need to be conscientious in making up for lost time in the classroom by doing extra homework and making it their business to ask about work that needs to be caught up in the classroom. Parents need to be mindful of the amount of activities that their children are involved in and make their own judgements about the level of effect it is having on their child's schooling.

Have a great week!
