Principal's Report

No Greenslip Reward

During last week, we had our first no-greenslip reward day and the majority of students were able to enjoy this reward. Classes all took part in a Rugby League Blitz hosted by the NRL Association. Students enjoyed the experience and pictured this week is Daniela Gargaro enjoying a run with the ball. Thanks Mr Ayres and Mrs Shea for organising this for our students. More photos can be found on our school website.

Uniform

How delightful it was to be able to recognise our new Kindergarten students for their 100% wearing of the correct school uniform at assembly last week. Students wore their uniform with pride, were clean, neat and tidy and even had their correct black shoes on. Our students in Kindergarten have had a wonderful start to their schooling under the experienced teaching of Mrs Simpson.

Bullying.....NO WAY Day

This Friday will be the national Bullying.....NO WAY Day. Students in all classes have been discussing issues around bullying and learning strategies to deal with bullies. All classes have been involved in designing posters and some

students will have the privilege of having their poster displayed in the front foyer. The school has an Anti-bullying Plan which is designed to keep all students safe within the school environment. All students have a responsibility to tell someone if they are being bullied at school so that the situation can be dealt with.

Annual School Report

The 2011 Annual School Report has been completed and is now available on the school's website. In order to view the 2011 Annual School Report go to: <http://www.hay-p.schools.nsw.edu.au/> and follow the links under 'Our School' and 'Annual School Report'. The Annual School Report will not be printed in bulk this year. Should you not have access to the Internet and wish to obtain a printed copy of the 2011 Annual School Report, please contact the school to request a copy.

What do I do if my child has time away from school?

If your child is absent from school, please send a signed note of explanation to the class teacher on his/her return. This is a mandatory requirement of the Department of Education and Communities. If you are planning an extended holiday, please contact the

Flood Situation

The school has been in close liaison with the SES and the Department of Education and Communities regarding the impending flood situation in Hay. Families will be notified immediately if there are any plans for the school to become non-operational in the future. A daily update will be provided via 2HayFM and via the school's website if this situation does arise. Please ensure that your child's emergency contact details and phone numbers are current and up to date so that you are contactable and available at any time. The safety of our students is always the school's first priority.

Have a great week!

Principal

EMERGENCY CONTACT DETAILS

Please advise the school if:-

- You have changed your address
- You have changed your phone number (home, work and mobile, ensuring mobiles have credit)
- There is a change of emergency contact for your child
- Please call the front office on 02 6993 1270 to update your details as soon as possible

MOZZIES

With the current and imminent water lying around the mozzies are BIG AND BAD, especially in the grass.

Apply protection to your children, before they leave the security of the house, would be a bonus.

TRAFFIC

Please be careful of the extra traffic that is being diverted through town because of the flood.

There is also a lot of traffic in the vicinity of the canteen/staffroom area with the renovations taking place.
