Term 4 Week 1

9th October 2013

Stage 2 Excursion—Billabong Ranch, Echuca

Principal's Report

Welcome back to Term 4 to what should be a very busy and productive term for all students. Hopefully all students and staff are relaxed and ready to tackle the final term for 2013. This term we welcome back Mr Ayres and Miss Burke who have returned refreshed and happy from their global travels on the European continent. Our students are very excited to see their return to Hay Public School and are looking forward to working with them throughout Term 4.

Billabong Ranch

Pictured this week are Charlee, Emily, Opal and Janae enjoying a paddle steamer ride during their excursion to Echuca at the end of last term. Thanks to all staff who attended and ensured a successful excursion for all students.

School Uniform

The weather has been warming up and students should now be wearing their full summer uniform including black school shoes for both boys and girls. Please make sure that your child is dressed neatly and tidily at all times. Students are reminded to wear the

correct school, sun-safe hats at all times during play. School hats are for sale at the front office for \$10 if your child needs a new hat. The rule is no school-hat; you must play under the sheltered areas.

Breakfast Club

Just a reminder a free breakfast program runs every morning in the Stephanie Alexander kitchen. Any student who would like to access this program is asked to be at school between the times of 8:45am and 9:00am where a healthy breakfast will be served. Research shows that students concentrate better in the classroom after eating a good, healthy breakfast in the morning.

P&C

Please be reminded that the next P&C meeting will be held on Thursday, 10th October in the school staffroom, commencing at 2pm. The P&C has much on their agenda for this meeting and welcome any new parents to be in attendance.

Student Medical Forms

During Term 4 we will be continuing the update of our medical records system to ensure we have the most up-to-date information on your child's health. If you have a child with a medical condition you will receive a copy of the new forms in the mail and will need to fill them out and return them to us as soon as you can. The good news is we have already started collecting some of this information, which means less for you to do. The new forms will help us collect your child's important medical information and the introduction of new systems will mean we'll be able to better manage the daily and emergency health needs of your child.

We appreciate your support as we start collecting the information. Please phone the front office if you have any questions.

Stage 2 Excursion to Billabong Ranch
