## Remembrance Day Celebrations

### Principal's Report

#### Remembrance Day

Remembrance Day (11 November) marks the anniversary of the armistice which ended the First World War (1914–18). Each year Australians observe one minute silence at 11 am on 11 November, in memory of those who died or suffered in all wars and armed conflicts. Pictured are our captains Holly Headdon, Darcy Cullenward and Monte Barnes who were present to lay a wreath at the RSL cenotaph last Monday, in commemoration of Remembrance Day.

#### Parliamentarian Nominations

Nominations are currently being taken for the position of student leader in 2014. Students from Year 5 are eligible to stand for election if they have demonstrated good conduct, are excellent role models to other students and uphold the traditions of Hay Public School (for eg wear the correct school uniform on a daily basis). Nomination forms are now available at the front office and are to be handed in by Friday, 22<sup>nd</sup> November. After nominations have been collected, speeches and elections will be held to elect twelve parliamentarians for our school.

### End of Year Evaluations

Thank you to the parents who have returned their survey forms around *School Satisfaction, Quality Teaching and Student Engagement*. The evaluation forms received back so far have had some very positive comments as follows:

- 'Thank you to all for the quality teaching you provide at HPS.'
- 'My daughter has flourished since being at this school. The teachers are fantastic and take their job seriously.'
- 'Hay Public School is a great school for such a rural community.'

Preparations are underway to improve and sustain the quality of education that students receive at Hay Public School in the 2014 school year. Teachers will undergo further professional learning and students will continue to be involved in the many learning support programs and extension programs that are currently on offer.

### Attendance

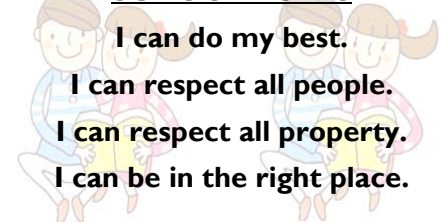

Did you know? If students miss as little as eight days in a school term, by the end of primary school they will have missed a year

### SCHOOL RULES

of education. Education in NSW is compulsory. This means all children from six years of age are legally required to attend school. Regular school attendance will help your child to succeed in later life. Attending school every day makes learning easier for your child and helps children to build and maintain friendships with other children.

### Updating Student Information

Forms have been issued with this newsletter and families are asked to complete and return to the front office. Your assistance is greatly appreciated.

Have a great week!
