School Contributions

Invoices have been issued for the general school contribution, subject fees, up-coming performances and Life Education. This year the voluntary school contribution remains at \$25 and covers the cost of materials that are essential for each students' learning such as exercise books, mini whiteboards, pencils, pens, paper, whiteboard markers, etc. A subject fee of \$20 has also been set to cover the cost of practical lessons that students undertake. This small cost represents

a great investment in your child's education and ensures that all classrooms are adequately resourced. Thank you to all families who have promptly paid their school fees to date, it is very much appreciated.

Deniliquin District Carnival

Congratulations to Deniliquin South Public School who were declared Deniliquin District swimming champions for 2013. Hay PS came in a respectable second and produced one champion on the day. Pictured this week is Monte Barnes who was awarded the Senior Boy Champion. The Riverina Regional Carnival will be held this Friday, 8th March. A very big thank you must go to Mrs Robyn Pearson who organises the district carnival every year. Mrs Pearson works tirelessly to ensure this carnival's success and her efforts do not go unnoticed. She was ably assisted by teachers Mr Clem Ayres and Miss Kate Burke. Well done to a great team.

School Hats

Thank you to all students who are making the effort to wear their correct school, sun-safe hat. Some students

Maths Matters

Congratulations to all the children who have already checked out StudyLadder. Every student should now have their own password and over the past two weeks more than 70 children from Hay Public School have logged on to play. StudyLadder is not compulsory but is a great activity to reinforce what children are learning in the classroom. This week I have been playing World Series - Level 1 (in the Games Tab) and my best time is 15 seconds. I wonder if you can beat me... **Miss Hiebl**

Inserted this week is a parent homework helper sheet. This sheet explains some of the mental strategies taught in the classroom. Parents are encouraged to practise these strategies at home with their children.

Stage 1 News

Language Rich Activities (LRA) Groups

LRA groups begin this week for Stage One students each Tuesday afternoon between 2.15 and 3.00pm. LRA groups are designed to stimulate language development, encourage and enhance the use of a range of vocabulary and inspire students to talk about something new with their peers. Students will work in small groups throughout the term to develop their skills and knowledge. Each week the students will participate in a rotation of activities and use these experiences to present *Time-to-Talk* to their classmates.

Parents are encouraged to support this program and more helpers are needed to assist each group activity. Please let your child's teachers know if you are able to help.
