Term 2, Week 6

5th June 2013

Kindergarten engrossed in the Deadly Australians Performance on our Craniofacial Foundation Fundraising Mufti Day.

Principal's Message

This week students and teachers will be focussing on the value of **TOLERANCE**. As educators and parents, it is our responsibility to prepare our children to live, learn and work in communities that are becoming more and more diverse. Tolerance means being accepting of others beliefs, opinions and ways of life that are different from our own. It means having the capacity to endure these differences. A child's success depends on their tolerance; their understanding, appreciation and ability to work and play with others.

Parliament Fundraising

Students came dressed in mufti, with their faces painted on Friday to assist parliament in raising funds for the Craniofacial Foundation. This organisation raises much needed funds to research the causes and provide assistance for children born with facial deformities and disfigurement. Their goal is to restore people suffering from craniofacial disfigurement to their full place in society with renewed hope and dignity. Congratulations to the entire school community who raised over \$236 for this cause.

Assessments and Reports

The teachers at Hay PS have been very busy over the past few weeks collecting assessment data and beginning the process of writing student reports. They are pleased with the progress each student has made and look forward to celebrating their achievements.

Reports will go home on Friday 21st June, with Parent Teacher Interviews taking place the following week during Week 9. The midyear report will give each child a grade for each key learning area, as well as an assessment of each child's effort in class. A **sound** grade means that your child is achieving outcomes expected of them at this point in time. Anything above or below this grade means exactly that; that they are above grade expectations or below grade expectations. The midyear report will include a general comment with more detailed information to be discussed at scheduled parent / teacher interviews. Interview schedules have been included in this newsletter. Please advise your child's teacher of a suitable time on the allocated day. I urge all parents to attend these interviews as they are a part of our reporting

2013 Kindergarten Transition Program

Once again Hay Public School will implement an extended Kindergarten transition program in 2013 called **Ready, Set, Kinder**. Children will access a variety of opportunities which will enhance their developing skills and prepare them for school life at Hay Public School in 2014.

All students entering Kindergarten at Hay Public School in 2014 are invited to participate in our **'Ready, Set, Kinder!'** prior to school education program each Wednesday from 9:15 am to 3:00 pm in Terms 3 and 4 to undertake learning and familiarisation activities and to experience aspects of school life. This is an opportunity for them to explore and play in a new learning environment and will assist in helping them feel happy, safe and secure.

All children who are eligible to commence school in 2014 and are planning on enrolling at Hay Public School will have access to this program. Information regarding our transition program and enrolment at Hay Public School has been provided to the Hay Pre School and Hay Early Learning Centre. However if you have a child attending Kindergarten in 2014 who has not received this information, please contact us for further details.

If you know of any children who do not have this information, please pass this on.

To reserve a place in the **Ready, Set, Kinder!** Program please contact the office at Hay Public School on (02) 69931270
