Velettah enjoyed the visit from Nathan Blacklock.

Principal's Report

NAIDOC Day

Pictured this week is Nathan Blacklock making a visit to the classroom of 1/2 Red as part of the school's NAIDOC Day celebrations. Nathan, who played rugby league for St George and Australia, spoke to students at assembly and helped train our Trent Barrett Shield teams during the lunch break. He visited classrooms in the afternoon, meeting with students and teachers. Students had a great day of activities with special guests from the Nari Nari Tribal Council on hand to present a bag of NAIDOC memorabilia to everyone. Thank you to Mrs Shea and Tara Dixon for their combined efforts in organising the day.

Education Week

This week (Monday, 29th July – Friday, 2nd August) is Education Week, the theme being NSW Public Schools – Creating the Future. During this week our school community will have the opportunity to visit the school to see first-hand the great things achieved day-in, day-out by students and teachers. It's also an opportunity for the school to exhibit how they support a whole range of students and showcase the

excellent programs that are on offer. Programs such as Accelerated Literacy, Count Me in Too, L3, Reading Recovery, Stephanie Alexander Kitchen Garden and 21st Century Learning are just some of the things that will be highlighted at the school during Education Week. Hay Public School will be holding a wide variety of events this week including open classrooms, school tours, K-6 Athletics Carnival and the launch of our Ready Set Kinder program for the year. Parents of Kindergarten students in 2014 attended a 'Meet and Greet' today and our prospective students enjoyed a picnic with their teddies.

UNSW Science Competition

We have received some outstanding results in the recently held University of NSW Science Competition. From nine entries this year, four students received a credit – Ronan Haines (Year 4), Kevin Cai, Jack Gibson and Emerson Hedt (Year 6). Participation certificates go to Benjamin Caughey, Iona Cullenward (Year 4), Erin Shalders, Darcy Cullenward and Emily Gibson (Year 6). Certificates will be awarded on 9th August at assembly.

Year 3-6Red will continue their Time to Talk lessons with Mrs Campbell this term. They will once again participate in a 30 minute Time to Talk session each week.

As the students have already participated in the Time to Talk program, they already know how to present news and know what interesting pieces of information to include in their news. So this term, the Time to Talk program will focus on experimenting with a variety of different news formats. News can be delivered in many different and exciting ways. At the end of the program, the students will vote on their favourite way of presenting news. We will let you know which news format was the favourite!!!

Student Medical Forms

During Terms 3 and 4 we will be updating our medical records systems to ensure we have the most up-to-date information on your child's health. If you have a child with a medical condition you will receive a copy of the new forms in the mail and will need to fill them out and return them to us as soon as you can. The good news is we have already started collecting some of this information, which means less for you to do. The new forms will help us collect your child's important medical information and the introduction of new systems will mean we'll be able to better manage the daily and emergency health needs of your child.

We appreciate your support as we start collecting the information. Please phone the front office if you have any questions.
