Janée Finishing Strongly—Cross Country 2014

Principal's Report **Cross Country**

What a great day we had for our annual cross country last Friday! It was great to see our students participating and 'having a go', even though some of them found the distance quite a challenge. It was also great to see parents encouraging our students along the track and at the finish line. Thank you must go to Robyn Pearson for her organisation and smooth running and co-ordination of the event on the day. Thanks also to all of our parent helpers who acted as officials on the day. A job well done! Congratulations to all placegetters who tried so hard and ran so well. Presentations of medallions will be performed at assembly this Friday. The District Cross Country will be held on Wednesday, May 28th in Deniliquin. There will be a bus running from the school for any competitors who require transportation to Deniliquin. Seat bookings can be made through the front office.

Attendance

Attendance at school is most important and any student enrolled in a NSW school is required to attend school each day it is open for instruction. Principals are legally responsible for maintaining accurate records of student attendance. When reasons for absences are provided to the school by parents, principals are accountable for their decision to record a student's absence as justified. Principals may decline to accept as satisfactory an explanation for an absence and will record that absence as unjustified. Principals may also request medical certificates if illness occurs frequently or is prolonged. It is the responsibility of parents or carers to make sure that their children attend school each day. It is important to understand that parents (including carers) may be prosecuted if children of compulsory school age have recurring numbers of unjustified absences from school. The Principal will be conducting an audit of absences this week and will be notifying parents by letter if there are any concerns.
