Principal's Report

Reports

Semester One reports are due to go out this Friday, 20th June. Reports give a snapshot of the educational process that your child has made over the past semester, as well as their social development and commitment to learning. Teachers assess students at Hay Public School against state wide standards and use a rigorous assessment process in order to do so. In addition to written reports we encourage parents and caregivers to attend scheduled parent / teacher meetings. This is a worthwhile opportunity where parents and teachers can share important information about their child's talents, strengths, interests and needs. All parents are encouraged to attend these meetings and be involved in your child's learning as it is important to maintain strong communication lines between home and school. Parents / Teacher meetings are scheduled for next week. If you are unable to attend on the given day, please ring the school to make alternative arrangements.

Positive Play

Recently students have been getting actively involved in organised games run during recess and it has been wonderful to see many friendships developing and positive social interactions evolving. Playing games assists students to learn about taking turns, negotiating rules and taking risks in a safe environment. Playing together, whether it is an active outdoor game or a board game, improves children's positive social behaviour.

Principal's Lunch

Congratulations to Danyal Cox, Charlie Deacon, Kate Cox, James Millyard, Nathaniel Clarke, Grace McKenzie, Chelsea Cox, Kristian Miller, Adrian Pascoe, Manaia Clune, Isabel Haines, Herbert Maynard, Ben Marshall, Darci Masters, Lainey Harman-Biggs, Marlee McPhellamy, Velettah Cranston and Lachlan Clark who will all be joining me for a party lunch tomorrow in the library. These students have displayed exemplary behaviour at school.

Bullying—Everyone's Responsibility

This week students and teachers will be focusing on sending out the message that bullying is everyone's responsibility.

Anyone who is the victim or a witness to bullying has a responsibility to report it straight away and to keep on reporting it if it does not stop. It is the responsibility of the school to investigate any reports and deal with it under the Discipline Policy of the school. The school will act based on the information that they receive through their investigations. Parents need to be aware that there are many steps in the Discipline Policy that need to be followed and green slips, detentions and suspension are not always the end result. A copy of the school's Discipline Policy has been published on the school's website and is reviewed regularly.

Have a great week!

2014 Kindergarten Transition Program

Once again Hay Public School will implement an extended Kindergarten transition program in 2014 called **Ready, Set, Kinder**. Children will access a variety of opportunities which will enhance their developing skills and prepare them for school life at Hay Public School in 2015.

All students entering Kindergarten at Hay Public School in 2015 are invited to participate in our **'Ready, Set, Kinder!'** education program each Wednesday from 9:15 am to 3:00 pm in Terms 3 and 4 to undertake learning and familiarisation activities and to experience aspects of school life. This is an opportunity for them to explore and play in a new learning environment and will assist in helping them feel happy, safe and secure.

All children who are eligible to commence school in 2015 and are planning on enrolling at Hay Public School will have access to this program. Information regarding our transition program and enrolment at Hay Public School has been provided to the Hay Pre School and Hay Early Learning Centre. However if you have a child attending Kindergarten in 2015 who has not received this information, please contact us for further details.

If you know of any children who do not have this information, please pass this on.

To reserve a place in the **Ready, Set, Kinder!** Program please contact the office at Hay Public School on (02) 69931270

Trent Barrett Shield Grand Final

On Monday 16th June, 11 girls travelled to Wagga to compete in the Trent Barrett Shield Grand Final. In wet, cold and muddy conditions the girls played their hardest against some very competitive teams. The girls played Young Public school in their first game and were defeated 5 -3. Next they played St Mary's West Wyalong and although they lost 7-4, moved the ball well and defended their line. The last game was against St Anne's from Temora. The girls blitzed this team winning 8-1. Try scorers on the day were Hannah Shea, Telesa Cooper, Emma Johnston, Ayesha Headon, Darci Masters and Chontelle Barton.

Thank you to all the parents for travelling and supporting the team. Also to each of the girls for doing their best, playing fairly and representing Hay Public School with pride!

P & C News

I support P&C fundraisers. Where does my money go?

The answer is to many different things that help support the school and its students. Following consultation with school staff, the P&C has set priorities for the use of funds from its recent and upcoming fundraisers. The following list will help us target our activities and also give you a better idea of where your money goes when you support P&C events. Keep an eye on the fundraising barometer facing Lachlan St to see how we are progressing in meeting our targets.

1. Playground Equipment

The funds raised from the fete, along with other funds held in reserve, have been earmarked for new playground equipment which we hope to have installed before the commencement of Term 4.

2. Split Systems in Classrooms

Upcoming one-off fundraising activities will be directed toward replacing the old heat banks with split systems in the remaining six classrooms. The P&C will be hosting a Black and Bling event at the Hay Services Club on Saturday 18th October 2014 to kick off this appeal so please mark the date in your diaries and further details will follow.

3. Regular Donations and Running Costs

Every year, the P&C contributes a significant amount of funding to activities such as the purchase of presentation day awards, student representative sporting travel, subsidisation of Year 6 t-shirts, Easter hat parade, provision of the water cooler etc. It also has running costs like insurance, auditing, repairs and maintenance. These regular donations and running costs amount to approximately \$3,000 per year and are generally funded through the P&C's regular fundraising activities such as term discos, mufti days, mother's and father's day stalls and minor raffles.
