Principal's Report

Education Week

During Education Week the Hay Public School community had the opportunity to visit the school to enjoy the learning that is achieved by the students on a daily basis. A wide variety of events were held including open classrooms, school tours, Stage 1 Excursion, art exhibition and the launch of the Ready Set Kinder program for the year. Parents of Kindergarten students in 2015 attended a 'Meet and Greet' and the new Kindergarten students of 2015 enjoyed a picnic with their teddies. Following the open classrooms, students came together to present a very entertaining concert for their guests. Popular performances included YMCA, Rock Around the Clock, Ghostbusters, plays, poetry, singing and dancing. A spectacular array of artwork adorned the hall to further showcase the students' talents. Thank you to everyone who helped make Education Week Open Day such a success. It was lovely to see parents, grandparents, friends and family all

here to support the students of Hay Public School in their love of learning. Pictured are the Davies family and friends enjoying a picnic lunch in the school grounds on Open Day.

AFL Launch

On Friday the AFL Development Group will launch a seven week program into the school for students in Years 4-6. Students will be introduced to AFL, the skills involved and the game itself. Each participating student will receive a pack to support them in playing the game. Jack Bradley, an AFL Development Officer based in Albury, will travel to Hay each week to facilitate this opportunity for our students. I would like to thank the Hay Lions Football and Netball Club who has made a financial commitment for three years to bring this program into the Hay schools. This is a great opportunity for our students.

Ready Set Kinder

Students of Ready Set Kinder completed their first full day at Hay Public School this week. Students are undertaking a 'prior to school' learning

program that will support their transition into Hay Public School at the beginning of 2015. This program is funded by the school in order to ensure that every child commencing Kindergarten at Hay Public School is provided with a quality and extended prior to school educational program. Throughout the remainder of this year Mrs Houston will implement the Ready Set Kinder program along with Mrs Rejeana Turner who will be assisting the teacher in the classroom.

Have a great week!
