Principal's Report

State Athletics

Good luck to our athletes Brait Headon, Myla Bisset and Lucy Shea who are participating in the State Athletics Trials at Homebush this week. All are representing the Riverina Region in their individual 100m age races, whilst Brait is participating in the 200m, high jump and long jump as well. I look forward to hearing all about their achievements.

UNSW Mathematics Competition

Certificates for the 2015 UNSW Mathematics Competition have arrived and will be handed out at the next assembly (October 23rd). Well done to the following students who have received outstanding results: **Distinction** – Bailey Caughey (Yr 3), Luke Nevinson (Year 4), Benjamin Caughey (Year 6), Ronan Haines (Year 6); **Credit** – Lucy Shea (Yr 3), Finn Cullenward (Year 4), Iona Cullenward (Year 6); **Participation** – Lachlan Marks (Year 3), Harriet Campbell (Year 4), Lachlan Clark (Year 4), Jack Headon (Year 4), Will Simpson (Year 4), Hannah Shea (Year 5), Danielle Marks (Year 5), Zoe Books (Year 6), and Lanta Clark (Year 6) Congratulations to all students who participated in the University tests this year.

Assessment and Reporting

This term teachers will be conducting final assessments in preparation for the end of year student reports. Students will be assessed against statewide syllabus outcomes and

standards using a five point achievement scale. Students who are assessed as 'Sound' are achieving the expected outcomes for the end of their grade. In other words, the student is on track to meet stage outcomes. To achieve an 'Outstanding' or 'High', students need to demonstrate that they are achieving well beyond the outcomes of their expected grade levels. A common misconception made by parents is that students are assessed against the other students in their grade at the school they attend and if they are at the top of that grade, they should be assessed as 'Outstanding'. This is not the case. Students are assessed against statewide standards not school standards.

Busy Week

This week promises to be extremely busy with Kindergarten travelling to Darlington Point for their annual Altina Wildlife excursion, a performance by Indigenous performer, Dion Drummond and Loud Shirt Day being held on Friday. Students are asked to wear the loudest shirt they have in their wardrobe and bring a gold coin donation to raise funds for 'The Shepherd Centre'. The Shepherd Centre assists children who are deaf.

Have a great week!

Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$69 for school-aged children and \$49 for preschoolers (prices exclude pool entry fee).
