## Principal's Report

### Remembrance Day

Remembrance Day in Australia is dedicated to Australians who died as a result of war, particularly from World War I onwards. A minute of silence is dedicated to the fallen, especially for soldiers who died fighting to protect the nation. Remembrance Day is annually observed on November 11th. Originally called Armistice Day, it commemorated the end of the hostilities for the Great War (World War I), the signing of the armistice, which occurred on November 11, 1918 – the 11th hour of the 11th day of the 11th month.

This year school children all across Australia are asked to help mark Remembrance Day by donating a gold coin to help rebuild a dilapidated school in the village of Pozieres in France, where thousands of Australian troops died in the fierce fighting of 1916. Rebuilding the school will ensure that the memory of Australian casualties of the battle will be an enduring legacy in the village for local children.

Our contribution will be acknowledged on a plaque at the school in Pozieres.

All students today observed a minutes silence at 11.00am while our captains, Iona Cullenward, Benjamin Caughey, Lanta Clarke and Brait Headon attended the wreath laying ceremony at the cenotaph to commemorate Remembrance Day.

## Parliamentarian Nominations

Nominations will open next Monday for the positions of student leaders in 2016. Students from Year 5 are eligible to stand for election if they have demonstrated good conduct, are excellent role models to other students and uphold the traditions of Hay Public School (e.g. wear the correct school uniform on a daily basis). Nomination forms will be available from the front office and are to be handed in by Friday, 20th November. After nominations are confirmed, speeches and elections will be held to elect twelve parliamentarians for our school. Speeches and voting for parliamentarians will take place on Monday 30<sup>th</sup> November.

### Year 6 Farewell

Preparations are underway for the Year 6 Farewell. This is planned for the 8th December and invitations to Year 5 and 6 have been distributed. Students are reminded that a respectful attitude and appropriate behaviour is expected for the remainder of the term. Students not following our school rules will not be invited to attend the farewell.

**Thank You and Farewell**

HPS would like to say thank you to one of our volunteers, Gayl Munn. Gayl has been volunteering in our canteen for many years. She helped out when her children attended Hay Public School and returned for her grandchildren. Gayl has been an amazing and reliable assistant to Julianne doing many things behind the scenes to make the canteen run as smoothly as possible but most importantly making her laugh-all the time! Thank you Gayl for all your time, hard work, patients and experience, you will be very missed and we wish you all the best in your future endeavours.

## Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$69 for school-aged children and \$49 for preschoolers (prices exclude pool entry fee).
