Principal Report Reports

Last week all half yearly reports were sent home and parent / teacher interviews have been held during the course of this week. Reports give a snapshot of the educational progress that your child has made over the past semester as well as their social development and commitment to learning. Teachers assess students at Hay Public School against statewide standards and use a rigorous assessment process in order to do so. If parents are concerned at any stage over the next six months regarding their child's progress, they are urged to keep the lines of communication open with the classroom teacher so that we are working in partnership to achieve the best for every student.

Academic Opportunities

Over the past semester many academic opportunities for students have been offered in addition to the everyday teaching and learning that occurs in the classroom. These opportunities include: students in Year 5 & 6 have taken part in the Creative Catchment Kids Program that links literacy and natural resource management in the Murray and Murrumbidgee Catchment Areas; students preparing for the Premier's Debating and Spelling Challenges; and students participating in University of NSW tests for Computer, Science, Spelling and Writing. Mrs Cullenward has been working closely with these students, organising opportunities to write and debate. I look forward to sharing the work that will culminate from these activities.

Sport

Semester One has seen a huge effort in sport at Hay Public School with many success stories to be told. Highlights this semester include: Brait Headon and Hugh Crighton representing Riverina region in rugby league; Hugh Crighton representing the Riverina region in AFL; Myla Bisset gaining Riverina representation in swimming; Maddi Deacon gaining Riverina representation in Soccer; the girls' AFL team reaching the finals of the Paul Kelly Cup next term; and the girls' Mortimer Shield team reaching the finals in Wagga. Thank you to all parents who support our athletes through encouragement, praise and transportation. Thank you to our teachers who give up their valuable time to coach and mentor. We are proud to offer many sporting opportunities for our students. Sport develops fitness, teamwork, thinking skills and has many social benefits.

Holidays

Have a happy and safe winter break with your children and thank you again for your support of the school this semester. School resumes for students on Tuesday 14th July with staff returning on Monday 13th July. A calendar of events in Term 3 will be sent out with the first newsletter next term. Have a great week!

2015 - Term 2 Attendance Rates for Hay PS

Attendance at school is one of the most important factors contributing to a child's educational progress. How often does your child stay away from school because they are tired, or it's their birthday or you have a shopping trip planned in another town? These are not acceptable excuses. Well done to our Year 6 students who are our best attenders for this term.

P & C News

At the AGM earlier this year, the P&C reviewed its by-laws and updated them to a format consistent with the P&C Federation's suggested by-laws. The P&C will be considering the updated by-laws for endorsement at its upcoming meeting on 13 August 2015. Copies of the by-laws are available at the school front office.
