Creative Kids at Wooloondool

Principal's Report

Creative Kids' Catchment Writing Project

Over the past few weeks, Mrs Cullenward has taken Year 6 students to various properties in the district to gain background knowledge for the Creative Kids' Catchment Writing Project. The topic this year is the control of pests. Students have travelled to the Booth's property at Humewood to study goats, Maynard's property at Wooloondool to study pests in cropping and Clark's property at Merriola to study pest reduction for sheep, such as brucellosis and foxes. Students have had some wonderful experiences that will provide great stimulus for the writing project. Thank you to all parents involved and to Mrs Cullenward for providing these experiences. Pictured are students amongst the cotton crop at Wooloondool.

Reports

Semester One reports are due to go out on Friday 19th June. Reports give a snapshot of the educational progress that your child has made over the past semester, as well as their social development and commitment to learning. Teachers assess students at Hay Public School against state wide standards and use a rigorous assessment process in order to do so. In addition to written reports we encourage parents and caregivers to attend scheduled parent / teacher meetings. This is a worthwhile opportunity where parents and teachers can share important information about their child's talents, strengths, interests and needs. All parents are encouraged to attend these meetings and be involved in your child's learning, as it is important to maintain

strong communication lines between home and school. Parents / Teacher meetings are scheduled for next week. If you are unable to attend on the given day, please ring the school to make alternative arrangements.

Bullying is Everyone's Responsibility

The school has a duty of care to keep everyone safe and behaviour that causes concern should be dealt with in a timely manner. Anyone who is the victim or a witness to bullying has a responsibility to report it straight away and to keep on reporting it if it does not stop. It is the responsibility of the school to investigate any reports and deal with it under the Discipline Policy of the school. The school will act based on the information that they receive through their investigations. Parents need to be aware that there are many steps in the Discipline Policy that need to be followed and greenslips, detentions and suspension are not always the end result. A copy of the school's Discipline Policy is published on the school's website and is reviewed regularly.

Parliament Fundraising

Thank you to all students who contributed cakes and slices for the parliamentarian's 'Biggest Afternoon Tea' fundraiser. Parliamentarians manned the stall and raised money for the Cancer Council. The stall was well supported by staff and students with a total amount of \$265 being raised.

Have a great week!

The Creative Catchment Kids Programme.

Wooloondool

Last Wednesday Herbie Maynard, Benjamin Caughey, Flynn Griffiths, Ronan Haines, Daisy Barnes, Emily Gibson, Asha Watkin and Kate Duncan went to Nick and Felicity Maynard's farm Wooloondool as part of the Creative Catchment Kids Programme for 2015. The students learnt about Wooloondool's summer and winter cropping focussing on the reduction of pests in their crops particularly faba beans. After starting syphons for irrigation, the children were treated to a dish of felafels made from Wooloondool's own faba beans and chick peas, not to mention a beautiful chocolate cake for Emily Gibson's birthday.

Merriola

On Monday Brait Headon, Angus Gardiner, Hugh Crighton, Lanta Clark, Iona Cullenward, Zoe Books and Charlee Masters visited Cam And Lynn Clark at Merriola to learn about scanning ewes, brucellosis testing in rams and fox-baiting, lambing paddocks. The children were greeted by the Clarks with hot chocolates and marshmallows. The children learnt so much from the Clark family and Mr Wayne Gardam. After fox-baiting, with 1080 poisoned chicken wings, the students returned to the house to enjoy some marinated chicken wings. No blue marks could be found on the meal! A huge thank you to the Maynard and Clark families for such wonderful days and wonderful opportunities.

Riverina Cross Country

Good luck to our runners in Gundagai on Thursday – Lachlan Clark, Benjamin Caughey, Jack Headon and SOTA'S Kate and Jack Turner.

Boys' Soccer

Our boys' soccer team played Edward Public in Deniliquin yesterday. We spent the majority of the game in attack, but were unable to capitalise on numerous scoring opportunities. A goal to Edward one minute before half-time was the only goal of the game. It was an excellent team effort, from a group of boys who don't play in a regular competition. Thanks to parents who provided transport and support.

Mortimer Shield

Good luck to our boys' Rugby League team and girls' Leagues team at Leeton on Friday. Our teams will be supervised by Miss Burke and Mr Ayres. Cars leave HPS at 8.00am.

2 Hay FM

Thanks to Lanta and Lachlan Clark for confidently presenting our sports report last Friday at 2 Hay FM.
