## Principal's Report

### Life Education

The Life Education van visits this week with the children's favourite 'Healthy Harold'. Over the next week students will learn how a healthy lifestyle, free of drugs and alcohol, leads to higher self-esteem, positive relationships and more chance of success and happiness in their future. Life Education is a community funded operation which relies heavily on community donations and money paid by students to keep operations going. The \$10.00 that students are asked to pay will cover the costs of their books and lesson. If you have not paid for your child's lesson, you are asked to do so this week.

### Girls in Sport

The girls at Hay Public School have experienced great success this year and were declared winners at the Mortimer Shield gala day in Leeton last Friday. They will travel to Wagga on Tuesday 23<sup>rd</sup> June to contest the Mortimer Shield finals. Good luck to our girls who will contest the final of the AFL Paul Kelly Cup in Wagga on Thursday. They have been training hard under the expertise of Mr Ayres and are hoping to do well. Thank you to the girls on their commitment to training, to our teachers on their commitment to the success of our teams and to the parents who commit themselves to transporting our students many, many kilometres on a regular basis. It is lovely to reap the rewards.

## Parent-Teacher Interviews

Parents are reminded to book interviews with their child's class teacher. Interviews will take place next week and the teachers would like the opportunity to discuss each student's learning achievements with parents. Interviews provide parents with specific details about each child and enable parents to ask questions, discuss concerns and to know where they can assist their child. Booking details are in the Hay Happenings, or interviews can be booked by phoning the front office.

### Principal's Lunch

Congratulations to the students who have been invited by the principal to a Kitchen-Garden party next Monday. Students were chosen by their classroom teacher to recognise their excellent behaviour and achievements this term. Well done to: Delilah Crighton, Emma Jones, Joseph O'Keeffe, Darci Masters, Adrian Pascoe, Liam Hayward, Blake Cox, Lucy Shea, Holly Ashcroft, Molly Curtis, James Salmon, Jimmy Sciffer, Denzie Pascoe, Emma Johnston, Molly Hutchings, Josh Gardiner, Dylan Ilic and Wendy Atkins.

Pictured is one of our successful sporting girls, Maddi Deacon, who has recently returned from the state soccer carnival in Sydney. Have a great week!

## Stage 2 and 3 News

### Life Education Visit

Students will visit the Life Education Van over the next two weeks. This is a health and drug educational program that assists children in making good decisions and to guide them through life's challenges. The cost is \$10 which provides students with a work book. All classes will be using this book for their Health lessons next term.

### Parent and Teacher Interviews

Parent Teacher interviews are scheduled for next week. Please contact the school if you have not yet made an appointment to discuss your child's progress.

### Library

Please ensure all library books are returned to the school by the end of this week. The library is changing from Oasis to Oliver and it is imperative all books are returned in order for this process to be successful.

### Stage 2 and 3 Excursions

Numbers for both excursions are being finalised this week. If you have not paid the required deposit your child **WILL NOT** be included in the numbers.

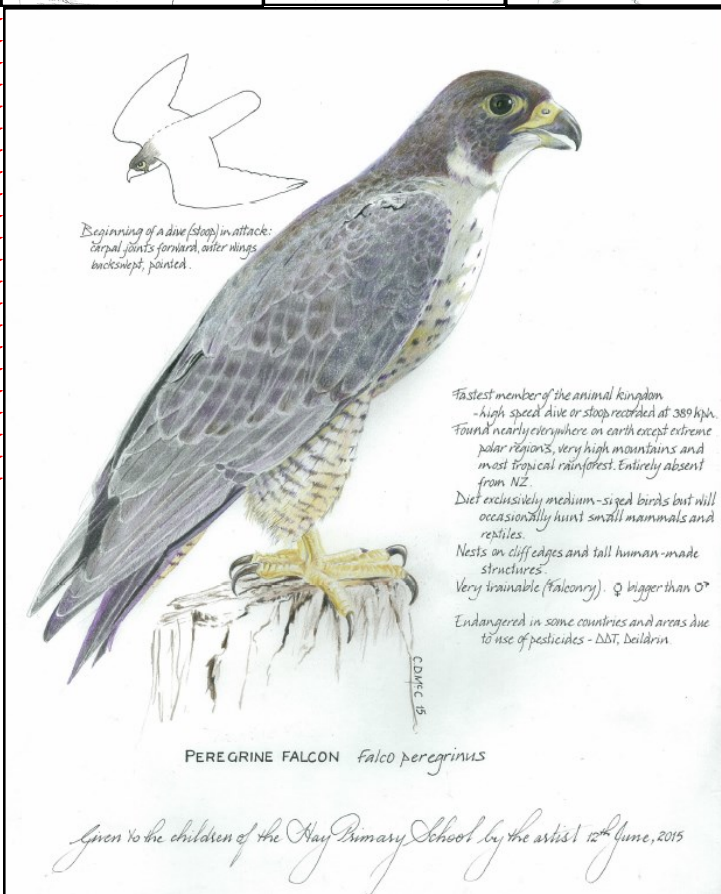

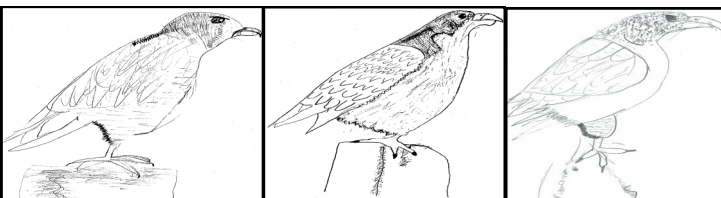

## School Banking Day Reminder

Don't forget that **Monday** is **School Banking Day** and students should bring in their weekly deposit to the front office first thing in the morning.

## Stage 2 Art Lessons

Stage 2 classes ( 4RA & 3S ) have enjoyed art lessons with Mr McClelland this term. They have been developing their drawing skills, learning to sketch using perspective, shadowing and shading. Last week 3S drew peregrine falcons, the birds featured in their AL text, **HOME** by Narelle Oliver. Our students are very fortunate to have this wonderful opportunity.

Thank you to Mr McClelland who very generously donated this amazing, original drawing to the students of Hay Public School.
