Principal's Report

End of Year

As the Christmas holidays draw closer, it is timely to discuss the next few weeks at Hay Public School. Assessments are finished and reports are in the final stages of being written. We have many exciting activities planned over the next few weeks for our students. This includes Swim School, pool parties, Year 6 Farewell and end of year class parties. Students will be permitted to participate in these activities, providing they continue to exercise positive behaviours. There will be zero tolerance for students who continually breach the school rules and show disrespect to teachers and aides. I urge all students to make wise behaviour choices as the consequences for not doing so will mean the exclusion from our end of year activities.

Murrumbidgee Matters

Students recently put their creative skills to work to design the covers for this year's Murrumbidgee Matters. Tanya Dave was the winner of the competition for the best front page drawing for our 2016 school magazine and Emma Johnston is the designer of the back page. They are pictured after receiving their award at assembly last Friday. All students who have paid their General Contribution for 2016 will receive a copy of the school magazine at the end of the year. For those wishing to purchase a magazine, the cost will be \$10.00.

Parliamentarian Elections 2017

Nominations closed last week for the parliamentarian elections that are due to be held next Monday, 28th November. We have an impressive group of nineteen students who will be making their election speeches on

Monday morning. Students are eligible to stand for election if they have demonstrated that they consistently follow the school rules, wear the school uniform with pride and abide by the school's Code of Conduct on a daily basis. Speeches will commence at 9:30am, the topic being 'What I can offer as a Parliamentarian in 2017 to improve Hay Public School?' Immediately following the speeches, students from Year 2-6 will vote to fill twelve positions of parliamentarian. Students who are unsuccessful will be given the opportunity to stand for other leadership roles within the school such as Sport House captains in 2017.

Swimming School

Swimming School commences next week and will run for two weeks. All students K-6 will attend a swimming lesson every day. Students from Years 2-4 will have lessons from 12-1:30pm daily. The *Swim and Survive* program is an advanced swimming program for students in Years 5 and 6. They will have lessons from 2-3pm each day. The *Water Awareness* program is offered to students from Kinder – Year 1 and they will also have lessons daily from 2-3pm. Please ensure that students come to school prepared with swimmers, hat, towel and sunscreen every day. *Swimming is a compulsory part of the school program and children are expected to participate and take part unless a medical condition prevents them from doing so.* With Australia's alarming, escalating rates of people who do not swim confidently, it is important that we teach our children this important skill. This is especially the case in Hay as we live near a river that has a high level of recreational use.

Have a great week!

**Sport and Recreation's
Swim and Survive lessons**

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$70 for school-aged children and \$50 for preschoolers (prices exclude pool entry fee).

For more information or to make a booking, visit sportandrecreation.nsw.gov.au/swimandsurvive or phone 13 13 02

Library News

There will be no borrowing books from our library. We ask that all books are returned ASAP to assist with the end of year stocktake. Please contact the front office if you have any concerns with lost/damaged books.
