Principal's Report

Walk Safely to School Day

On Friday 20th May 2016, the Pedestrian Council of Australia is encouraging all primary school students to walk safely to school. *Walk Safely to School Day* encourages parents and carers to walk to school with their children, in order to promote road safety, and individual and environmental health.

This annual event is an opportunity for schools and their communities to focus on the key road safety education messages for pedestrian behaviour through Personal Development, Health and Physical Education programs. These include:

- Hold a grown up's hand when you cross the road.
- Hold a grown up's hand when you're on the footpath.
- Use a safe place to cross the road.

Stop! Look! Listen! Think! every time you cross the road.

Walk Safely to School Day also enables the promotion of walking as a regular form of physical activity and an opportunity to raise awareness about the benefits of reduced traffic on our roads, particularly around schools.

Welcome to Week 4.

Congratulations to our Year 3 and 5 students who last week completed their Naplan tests for 2016. All students were positive in their efforts and tried their very best. Results from these tests will be sent to the school in August. All parents/carers will receive a copy of their child's Naplan report when they are made available to the school.

We have had a very busy week with sport this week with the Mortimer Shield Rugby League and Leagues tag playing on Tuesday and the AFL team playing in the Paul Kelly Cup on Wednesday.

Thank you to parents and teachers who have taken the time to train the teams and transport them safely to their destination.

Congratulations to our Star Award winners for this month. Students who receive a Star award have consistently tried their best in all areas of school life and ensured they have abided by our school Code of Conduct. They are positive role models who help and support their peers and always have exemplary behaviour. Well done.

Our students continue to enjoy and implement the FISH philosophy ideals of Play, Be There, Choose your Attitude and Make their Day to ensure they make positive choices in their lives. Choosing a positive attitude will empower students to respond to challenges and problems in a constructive and positive way.

Mrs Oatway is currently enjoying some well-deserved leave and I have the privilege of relieving in the Principal's position during her absence. This is a great honour and opportunity and I will endeavour to keep our wonderful school functioning in its usual positive way.

One kind word can change someone's entire day!

Ready, Set, Kinder Program

Once again Hay Public School will implement an extended Kindergarten transition program in 2016 called Ready, Set, Kinder. Children will access a variety of opportunities which will enhance their developing skills and prepare them for school life at Hay Public School in 2017.

All students entering Kindergarten at Hay Public School in 2017 are invited to participate in our 'Ready, Set, Kinder!' education program each Wednesday from 9:15 am to 3:00 pm in Terms 3 and 4 to undertake learning and familiarisation activities and to experience aspects of school life. This is an opportunity for them to explore and play in a new learning environment and will assist in helping them feel happy, safe and secure.

All children who are eligible to commence school in 2017 and are planning on enrolling at Hay Public School will have access to this program.

To reserve a place in the Ready, Set, Kinder! Program please contact the office at Hay Public School on (02) 6993 1270
