SCHOOL RULES

I can do my best.

I can respect all people.

I can respect all property.

I can be in the right place.

Principal's Report

No Greenslip Reward

As part of our school's discipline policy, students who observe the school rules on a daily basis receive a reward at the end of every five weeks. Positive behaviours of respect, responsibility, co-operation and perseverance are encouraged daily and this is one way that students can be recognised for constantly doing the right thing, day in, day out. At the end of this week, students who have not received a greenslip in the past five weeks will be rewarded in some small way. Thank you to the majority of students who will be eligible to receive this reward.

Sport

This term has been extremely busy with extra sporting commitments impinging on the amount of time students have spent in the classroom. Teachers are mindful of the amount of time that some students are missing from school and I would like to emphasise how important it is that students do not miss school for reasons that are unjustified and arrive at school on time, ready and prepared for learning.

GRIP Leadership

The GRIP Student Leadership Conference will be held in Griffith this Friday. All our Parliamentarians will be attending with Mrs Christensen and Mrs Cullenward. This is a unique training course in that it concentrates specifically on training student leaders for their role as SCHOOL LEADERS. The style, topics, and content of this conference all focus on what the students can do RIGHT NOW.

Working Together

Having a harmonious community creates a sense of belonging for everyone- students, staff and parents. Over the past week I have witnessed this sense of belonging and harmony among our students in our playground. Many of them have utilised many of our great resources: playing with the large chess set, utilising the painted maps and games on the cement and playing various ball games under the large shelter and on the netball court. I was impressed with the team spirit and cooperation of students playing, supporting one another and ensuring no one was missing out. Students felt good about themselves and their peers which created a harmonious atmosphere. I encourage everyone to continue to work hard to ensure we maintain this positive feeling at our school.

Positive thoughts generate positive feelings and attract positive life experiences.

RIP IT UP Reading is a research based reading intervention program based on Working Memory Theory. Working Memory plays a crucial role both in supporting learning and in maintaining focused behaviour in practical solutions. A student's verbal Working Memory skills are predictors of performance in complex cognitive tasks including reading and comprehension. Rip it Up Reading uses four distinct factors to assist in learning to read. **Chunking, Repetition, Pace, Understand, and apply Working Memory Theory to reading.** Each time a child rips through their reading they know they have accomplished, they know they are moving forward, progressing... they are **RIPPING** through their reading! Students at Hay Public School are chosen to participate in the RIUR program for half hour sessions once a week. They work with trained Rip it

Up Reading tutors, Mrs Kathy Duncan, Mrs Sharyn Headon and Ms Kirsten Hutchings. Students usually work in small groups of 2 or 3 and progress is monitored twice a term.

If your child is part of the Rip it Up Reading program and you would like to know more please do not hesitate contacting the school to make an appointment to see Mrs Simpson.
