Principals Report Assessments and Reports

The purpose of assessment and reporting is to improve student learning. It is the process of collecting evidence of student learning in order to obtain information about an individual student's current level of attainment. Assessment is undertaken formally and informally for all learners. Staff have been very busy over the past few weeks analysing assessment data of their students and beginning the process of writing student reports. They are pleased with the progress each student has made and look forward to celebrating their achievements. Reports will go home on **Friday 24th June**, with Parent Teacher Interviews taking place the following week during Week 10. The midyear report will give each child a grade for each key learning area, as well as an assessment of each child's effort in class. A child working at **EXPECTED LEVEL** means the student has a **SOUND** understanding of the main areas of content. Anything above or below this grade means exactly that; that they are above grade expectations or below grade expectations. The midyear report will include a general comment with more detailed information to be discussed at the scheduled parent / teacher interviews. Interview schedules are included in this week's newsletter. I encourage all parents to take the opportunity to meet with their child's teacher and discuss their learning and the improvement they have made so far this year.

Make Online Payments

Parents will soon be able to make online payments to the school for amounts owing for students, via a secure payment page hosted by **Westpac**. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the schools website by selecting \$ Make a payment. Items that can be paid include voluntary school contributions, excursions, sales to students and performances. There is also a category called 'Other' which covers items not covered in the previous headings. Other can be used to make a complete payment of a school invoice. Details of what to do when a payment is made will be included in next week's newsletter.

Keep Kids Safe

Parents or carers who engage the services of a private tutor or coach have an important role to play in helping to keep their children safe. From 1st April 2016 adults who

provide private tuition or coaching services to children will need to obtain a new Working With Children Check. Parents or carers should ask their child's tutor or coach for their name, date of birth and their WWCC number. They must then go online and verify the tutor or coach is not barred from working with children in NSW. Just follow the simple steps at www.kidsguardian.nsw.gov.au/parentscheckthecheck. If you suspect that an adult is providing services to children without a WWCC you can go online to make a confidential report or phone (02) 9286 7219.

Help to keep kids safe by sharing #parentscheckthecheck with your family and friends through your own social media networks.

The Importance of Learning

Learning builds confidence and a child who is confident is more open to new opportunities to learn. Talk positively about the importance of education with your child. Let your child see how much you enjoy and value learning and remember, it's ok if you don't have all the answers to your child's questions, but it is important to show that you know how to find the answers.

Tell me and I forget, teach me and I may remember, involve me and I learn. B.Franklin.

The beautiful thing about learning is that nobody can take it away from you.

Life Education Van

The Life Education Van visited Hay Public School this week to deliver a primary school program which consists of curriculum based modules focusing on issues around food and nutrition, personal safety, physical activity, cyber safety, safety with medicine and legal drugs; tobacco, alcohol and caffeine.

By taking a comprehensive approach to drug and health education our modules help children to develop relationship skills, positive communication (both face to face and online), problem solving and decision making skills.

Sports News

Tennis Knockout- Victor Kelly Cup

Our tennis team, Tom Christensen, Richard Weymouth, Skye Lilburne and Lily Huggins progresses to the 4th round of the State Knockout competition, after its victory over Lake Wyangan. The team will play either Young or Ardlethan, at Ardlethan, possibly in Week 9.

Girls' Soccer Knockout

Our girls played Deni North at the Jack Bisset Oval on Wednesday morning in perfect conditions.

Deni North took an early advantage, scoring three goals in the first sixteen minutes, to lead 3-0 at half-time.

Hannah Shea scored our only goal two minutes into the second half.

A further goal to North gave them a 4-1 victory.

Kayla Rickus played a great second half as goalie and received excellent support from Katie Howard in defence. Darci and Lily Masters combined well on the left side, providing plenty of drive in attack.

Players' Player was Hannah Shea

Overall, it was a fantastic effort from a team with very little soccer experience.

Thanks to Bruce Shea (referee), Jack Bisset (field preparation) and Penny Nisbet (linesman) for your assistance.

Stage 3 Sport

Stage 3 Sport will focus on Soccer and Leaguetag.

Cold and wet, they still ran!

Well done to our District Cross Country team who competed in cold, wet and muddy conditions in Deni last Friday.

Congratulations to Lachlan Clark (1st) Ben Clark (2nd), Jack Headon (3rd) and Kirby Pingiaro (4th) who qualified for the Regional Carnival to be held at Gundagai on Thursday 16th June.
