27th July 2016

"Flourish to the end"

**Hay Public Lachlans—Debating Team**

## Principal's Report

### Welcome

In exciting news for our school community, we welcome the safe arrival of Alice Joyce, daughter of Mrs Rebecca Wall and her husband Scott. Alice was born on the last Sunday of the school holidays, 17<sup>th</sup> July, weighing 7lb 1oz.

### Premier's Debating Challenge

On Monday, Leeton PS and Parkview PS, travelled to Hay to participate in the Premier's Debating Challenge. Six debates were held throughout the day on a range of topics. Thank you to Mrs Cullenward for preparing the students to debate and to Mrs Lou Gardam and Mrs Markeeta Gibson for adjudicating the debates. It was a full day of debating and a wonderful experience for our participating students.

### Education Week

Education Week is next week and parents and community members are invited to attend our Open Day on Wednesday (3<sup>rd</sup> August). The school will be showcasing its learning on the day with classroom visits, art work on display and a concert taking place at 12:15pm in the school hall. Education Week also heralds the launch of the Ready Set Kinder program with prospective 2017 Kindergarten students attending their Teddy Bears' Picnic to meet and greet their teachers, Mrs Houston and Mrs Headon. Please take every opportunity to visit the school and classrooms on Open Day and stay to enjoy the concert afterwards. A free sausage sizzle will be served on Open Day for students and visitors to the school.

## UNSW Digital Technologies Competition

We have received some outstanding results in the recently held University of NSW Digital Technologies Competition. Congratulations to: Jim Houston of Year 3 who received a certificate of Distinction, and to Lucy Shea (Year 4), Bailey Caughey (Year 4), Will Simpson (Year 5), Luke Nevinson (Year 5), Darci Masters (Year 5) and Oliver Gaston (Year 5) who received certificates of Credit. All Digital Technologies certificates were awarded at assembly last Friday.

### School Crossing

I would like to issue a general reminder to take care around our school crossing in the mornings before school commences and in the afternoons at the end of the school day. Schools are busy places and crossings are a potential hazard if the rules are not observed and care is not taken by motorists. I therefore would like to remind motorists to slow down, observe the 40km/h speed limit and come to a complete stop when the crossing assistant is on the crossing. Motorists should not move off until the crossing is completely clear. Students are also reminded to use the crossing if being dropped off or picked up on the other side of the road by their parents.

Have a great week!
