## Welcome Kindergarten 2017

### SCHOOL RULES

*I can do my best.  
I can respect all people.  
I can respect all property.  
I can be in the right place.*

### Principal's Report

Welcome back to 2017 in what should be a productive and rewarding year for all students. Students returned on Monday and looked relaxed and eager to commence a new school year, happily moving into their new classes. I would also like to extend a very warm welcome to our newest students in Kindergarten who commenced today and to our new staff member, Miss Ellen Jamieson.

### Student Leaders' Induction

Parents and community members are invited to attend our Student Leader Induction Assembly and Captains' Tree Planting Ceremony on Monday 13th February, commencing at 12:30pm. Our student leaders for 2017, including school captains, parliamentarians and house captains will be inducted by a host of special guests. The traditional planting of the captains' tree will take place at the conclusion of the assembly.

### School Fees

This year our Voluntary Contribution fees will be \$30 and our subject fees \$25 for the year. These fees help the school purchase essential classroom supplies (eg exercise books, pencils, pens, scrapbooks, scissors, glue, rulers, coloured pencils, textas, paint, paper, tissues, tote trays, desks, chairs, etc). The subject fee covers the costs of materials for practical lessons such as kitchen, garden, art, craft, science, music and PE. Invoices will be sent out shortly and payments can be made via our website or directly to the front office.

### Change of Details

Student details change at times and it is the parent's responsibility to advise the school of any changes. These include:

- Change of address or phone number (especially mobile phone numbers)
- Change of emergency contact details
- Change of any medical condition of students
- Change of family situation that may affect a student's performance at school

Any other change in circumstance that affects your child in the school setting

Maintaining a close relationship with the school and keeping the school well informed will prevent any problems that could arise in the future. Information can be passed onto your child's teacher or an appointment can be made to discuss this with the principal.

### P&C Meeting

Please note that our first P&C meeting for the year will be held tomorrow, Thursday 9<sup>th</sup> February at 3:15pm in the staffroom. New parents to the school community are very welcome and especially encouraged to attend. This meeting will set down the priorities for the year.

Have a great week!

### Procedures For parents Travelling on School Business

When students are travelling in a car other than their parent's car on school business, the school needs to be notified of whom they are travelling with.

Only drivers that have provided their details to the school are authorised by the school to carry other students.

**PLEASE CALL AT THE SCHOOL TO COMPLETE THE FORM, WITH YOUR LICENSE AND CAR REGO DETAILS**

Authorised drivers are drivers who have provided their licence and details of their car's registration to the school.

Under Workplace Health and Safety, the school would never sanction a P plated driver to carry a student, due to the high risks involved.
