## Principal's Report

### Education Week

Education Week is next week and parents and community members are invited to attend our Open Day on Monday 31<sup>st</sup> July. The school will be showcasing its learning on the day with classroom visits, art work on display and a concert taking place at 12:15pm in the school hall. The concert will present items from our Friday program 'Kids in Performing Arts' and will include items such as ukulele, percussion, singing, calisthenics, poetry recital and digital technologies. Education Week also heralds the launch of the Ready Set Kinder program with prospective 2018 Kindergarten students attending their Teddy Bears' Picnic to meet and greet their teachers, Mrs Houston and Mrs Wall. Please take every opportunity to visit the school and classrooms on Open Day and stay to enjoy the concert afterwards.

### Athletics Carnival

Our annual athletics carnival will be held this Thursday at the Hay Park Oval. All students, K-6, will participate in this carnival with the younger students of our school arriving at the park around 11:00am. A full canteen will operate on the grounds and there will be no lunch orders at school. Lunches can be obtained at the carnival. Mrs Pearson is looking for parent volunteers who can help with judging, timekeeping, field events or relay changes. Mrs Shea is looking for volunteers to help run novelty events for the Jellybean Cup. The canteen is looking for donations of cakes, slices, or biscuits to sell on the day and any parent volunteers who would like to help out and serve. Please come along and support your child, your child's house and the school. We look forward to an excellent day of

activities.

### Discipline Policy

The school community has reviewed the school's discipline policy and made some slight changes. The main change has been highlighting to students that their behaviour is their choice and positive behaviours will attract attention and regular awards whilst negative behaviours will all have a consequence. All children who now receive a greenslip will be placed on at least one lunchtime detention as a consequence to their actions. It is pleasing to note that our incidents of negative behaviour have significantly decreased over the past few years. A copy of our revised policy will be published on the school's website.

### School Crossing

I would like to issue a general reminder to take care around our school crossing in the mornings before school commences and in the afternoons at the end of the school day. Schools are busy places and crossings are a potential hazard if the rules are not observed and care is not taken by motorists. I therefore would like to remind motorists to slow down, observe the 40km/h speed limit and come to a complete stop when the crossing assistant is on the crossing. Motorists should not move off until the crossing is completely clear. Students are also reminded to use the crossing if being dropped off or picked up on the other side of the road by their parents.

Have a great week!
