Education Week

This week is Education Week and this year's theme, *I Learn, We Learn*, reflects our commitment to high expectations and our focus on continuous improvement for our students, our teachers and our school. Students are at the heart of every decision that is made in education and we want every child's individual potential to be identified and developed by quality teaching in a supportive and safe learning environment. Great learning and teaching occurs in classrooms in public schools every day. During this week our school community will have the opportunity to visit the school to see first-hand the great things achieved every day by students and teachers. On Monday, we began Education Week with an Open Day where parents and guests were invited into the school to view classrooms, enjoy a concert and share a picnic lunch with our students. The rest of the week will include a visit by the Life Education van, the UNSW English competition and the launch of our Ready, Set, Kinder program.

Ready Set Kinder

Today was the launch of our Ready, Set, Kinder program where our prospective students for 2018 enjoyed a Teddy Bears' picnic with their teachers Mrs Houston and Mrs Wall. Ready, Set, Kinder will continue every Wednesday for the remainder of the year and is an extended transition program, designed to provide our students with a prior to school educational program.

Athletics Carnival

Congratulations to Sturt House who was declared overall winner of our Athletics Carnival, held last Thursday. The day ran perfectly with great participation from all students. Our age champions were: **Junior** – Johlee Masters, Jim Houston, **11 years** – Lucy Shea, Jack Headon, **12/13 years** – Skye Lilburne, Daniel Stewart. The District Carnival is due to be held in Deniliquin on 11th August. Stage 1 students also had a successful day with Cobb House taking out the annual Jellybean Cup. Thank you to Mrs Pearson, Mrs Houston and Mrs Shea for their expert organisation on the day.

UNSW Science Competition

We have received some outstanding results in the recently held University of NSW Digital Technologies Competition. With eighteen entries this year, the results are as follows: **Distinction** – Jim Houston (Yr 4), Lucy Shea (Yr 5); **Credit** – Emily Caughey (Year 3), Bailey Caughey (Year 5), Finn Cullenward (Year 6), Oliver Gaston (Year 6), Olivia Huggins (Year 6) and **Merit** – Ralph Robson (Year 6). Digital Technologies certificates will be awarded at assembly on 18th August. Well done to all students who participated.

Have a great week!

Spelling Bee

Congratulations to all students who participated in the school Spelling Bee. I am so proud of every student who came along in their own play time to participate in this competition. Many students have shown a remarkable development in their spelling ability and confidence over the course of the competition.

Congratulations to our four finalists who have qualified for the regional finals.

Stage 2 finalists are Jim Houston and Amelia Everett with Jackson McClure and Emily Cai qualifying as the reserve.

Stage 3 finalists are Darci Masters and Lucy Shea, with Ayesha Headon qualifying as the reserve.

Spelling Bee certificates will be awarded to all participating students in due course.

A fabulous effort by everyone!

Sports News**Athletics Carnival**

Our annual athletics carnival was held in perfect conditions last Thursday at the Hay Park No 1 oval.

This year we welcomed the participation of Booligal, Carrathool and SOTA students.

Congratulations to all children who competed so enthusiastically throughout the day and gave their fellow athletes great support. Thanks to all teachers, parents and community members for ensuring another successful carnival. Special thanks to the Headons, Houstons and Clarks for setting up (and packing up). Many thanks to Lloyd Brettschneider and Sarah Houston for marking the oval; Ian Headon for starting our track events and Kelly Gash for completing the discus events on Tuesday at school.

After Cadell's win in the 'march past' Sturt (386) dominated, followed by Cobb 311, Oxley 286 and Cadell 271.
