## Principal's Report

### Ready Set Kinder

Students of Ready Set Kinder completed their first session at Hay Public School last week. Ready Set Kinder provides an early learning program that will support students' transition into Hay Public School at the beginning of 2018. This program is funded by the school in order to ensure that every child commencing Kindergarten at Hay Public School is provided with a quality and extended prior to school educational program. Throughout the remainder of this year Mrs Houston and Mrs Wall will implement the Ready Set Kinder program.

### NAPLAN

NAPLAN is moving online and our school will be participating in a school readiness test in the second half of Term 3. This means NAPLAN will be moving from the current paper based tests to computer-based assessments. The transition to NAPLAN online will commence from 2018. NAPLAN Online will provide better assessment, more precise results and faster turnaround of information. The assessments can run through a real-time internet connection or onscreen without an internet connection. NAPLAN Online features tailored testing which gives students questions that are more suited to their ability – resulting in better assessment and more precise results.

### Working with Children Check

The Department of Education has a new policy that affects volunteers who come and work in our school. The policy states that all volunteers must have a working with children check number and provide 100 points of identification. Our procedures for volunteers are as

follows:

- All volunteers must sign in at the front office when they are on school grounds
- All volunteers must obtain a working with children check number and provide the front office staff at school with their clearance number (volunteers do not have to pay for this)
- All volunteers must provide the front office staff at school with 100 points of identification
- Any volunteer must be pre-arranged by the class teacher and approved by the Principal after the clearance number is obtained along with 100 points of identification

Information on obtaining a number can be found at this web address: <https://www.kidsguardian.nsw.gov.au/child-safe-organisations/working-withchildren-check>

### UNSW Science Competition

We have received some outstanding results in the recently held University of NSW Science Competition. With eighteen entries this year, seven certificates of special mention were awarded. These include: **Distinction** – Emily Caughey (Yr 3), Jim Houston (Yr 4), Bailey Caughey (Yr 5), Luke Nevinson (Yr 6); **Credit** – Lucy Shea (Yr 5), Will Simpson (Yr 6), and Oliver Gaston (Yr 6). Science certificates will be awarded at assembly on 18th August. Well done to all students who participated.

Have a great week!

Carol Oataway  
Principal

### Jelly Bean Cup

Congratulations to the Kindergarten and Stage 1 children who participated in the Jelly Bean Cup. All the children showed great sportsmanship and tried their best all day. Thank you to all parents, grandparents and friends for their help on the day. Congratulations goes to Cobb for being the winner of the Jelly Bean Cup.

### Pulse Youth Group Reminder

**No** Youth Group Friday 11<sup>th</sup> August.

**Rock Hike Saturday 12<sup>th</sup> August for those who have returned notes.**

Meet @ Hay Baptist Church - 6.45am. Enquiries to Ruth 0428 437 779.

Students are really enjoying their **Jump Rope for Heart** challenge by skipping to music each day. As well as helping the kids with their skipping tricks and tips, our job is to educate them about the importance of being healthy. Watch this video for some great ideas on how to reduce sugar in your child's lunchbox by 13 teaspoons!

Well done to those kids who are gaining sponsors! 51 students have registered online with a total of \$5016 raised so far. An amazing effort!
