Tell Them From Me Survey

I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices. The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used *Tell Them From Me* to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school. I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 12 March and 13 April. Participating in the survey is entirely voluntary. A consent form and FAQs for parents/carers about the survey is being sent home with students. If you **do not** want your child or children to participate, please return the form to school by **Monday 26th March 2018**.

Annual School Report

The 2017 Annual School Report has been completed and is now available on the school's website. In order to view the 2017 Annual School Report go to: <http://www.hay-p.schools.nsw.edu.au/> and follow the links under 'Our School' and 'Annual School Report'. The Annual School Report will not be printed in bulk this year. Should you not have access to the Internet and wish to obtain a printed copy of the 2017 Annual School Report, please contact the school to request a copy.

Discipline

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students. In NSW public schools students are expected to: respect other students, their teachers and school staff and community members; follow school and class rules and follow the directions of their teachers; strive for the highest standards in learning; respect all members of the school community and show courtesy to all students, teachers and community members; resolve conflict respectfully, calmly and fairly; comply with the school's uniform policy or dress code; attend school every day (unless legally excused); respect all property; not be violent or bring weapons, illegal drugs, alcohol or tobacco into our schools; not bully, harass, intimidate or discriminate against anyone in our schools. Schools take strong action in response to behaviour that is detrimental to self or others or to the achievement of high quality teaching and learning. The principal and school staff, using their professional judgment, are best placed to maintain discipline and provide safe, supportive and responsive learning environments. A copy of Hay Public School's Discipline Policy can be found on our website.

Superheroes Fete

Please come along to our biennial P&C Superheroes fete this Friday 23rd March. There is sure to be lots of fun for the children, a bargain for the parents and a cheap way to dine out as a family. The funds raised at our fete all go directly back into the school to support our students.

Have a great week!
