School Fete

What a great success! It was wonderful to see so many children and adults dressed up for our 'Superheroes' themed fete last Friday evening. It was an exciting fete with so much happening and so many attending. There was a host of good food and fun activities to entertain the children from merry-go-rounds, the jumping castle, giant slide, train rides, laser tag, pony rides, crate stacking and 'Dunk a Celebrity'. We must acknowledge the efforts and commitment of the members of the P&C particularly Kylie Brettschneider, Samantha Sorensen, Lisa Headon, Michelle Johnson and other members of the organising committee who worked tirelessly leading up to this event. Many thanks must also go to all the parents, teachers, office staff, support staff, students and other volunteers who helped to set up, run and then pack up their stalls and events. Money raised has not yet been determined as all expenses have not been accounted for, but it appears that it will be a pleasing result. Congratulations everyone on a superb team effort!

Uniform

Thank you to all students who are making an effort to wear their correct school, summer uniform. Many favourable comments have been received from members of the public about how smart our students are looking in their summer uniforms. The Hay Public School Uniform Policy states clearly that the official summer uniform for girls is the blue dress, white socks and black shoes and the official summer uniform for boys is the blue button up shirt, grey shorts, grey socks and black shoes. The School Council and P&C do not endorse any variations to these uniforms and encourage all students to be dressed in the official Hay Public School uniform. All

students are also required to wear a school, sun-safe hat at all times during play. As the weather is cooling down, jumpers are optional to wear with the summer uniform. Navy jumpers with a school logo are the P&C endorsed options.

Extra Commitments

It is that time of year again when students in Stage 3 have constant demands on their time with the extra sporting activities that the school and district have on offer. As a consequence, students need to be conscientious in making up for lost time in the classroom by doing extra homework and making it their business to ask about work that needs to be caught up. Parents need to be mindful of the amount of activities that their children are involved in and make their own judgements about the impact it is having on their child's education.

Easter Hat Parade

Stage 1 students and their teachers will entertain the assembled crowd on Thursday, wearing their decorative Easter Hats constructed at home. Parents and guests are invited to the big-end shelter at 12:30pm to enjoy our annual Easter Hat Parade. Students will entertain with Easter songs and lively dances after they parade their hats around the shelter. Following the parade, our 'bumper' Easter raffle will be drawn. Thanks to everyone who supported our Easter raffle this year by donating prizes and selling raffle tickets.

Wishing everyone a Happy Easter!

Attendance Facts

An attendance rate of 90% means that on average students are missing one day of school every fortnight.

**Missing school creates gaps in students' learning
Students who attend regularly experience greater success**

School Council Representatives

Hay Public School is seeking interested members of the parent and community to join our School Council. The School Council is a different body to the P&C, in that it assists with decision making and policy making within the school. We need one member of the parent body and one member of the community. Please phone Carol Oatway on 69931270 if you are interested or return the attached slip of paper to school.

I am interested in joining the Hay Public School Council. I understand that I will be required to attend meetings (at least one per term) as part of my role.
