## Principal's Report

### Uniform Survey Results

Recently the school held a survey on behalf of the P&C to ask parents whether they wanted a change to the current school uniform. All families were surveyed and sixty-eight families returned their votes. Of the sixty-eight votes received, thirty families were in favour of changing the school uniform and thirty-eight were not. As per our uniform policy, the majority determines the outcome. The majority was 'No'; therefore, there will be no change to the current school uniform.

### Positive Social Skills

Children who are good at making and keeping friends use positive social skills. Parents, carers and staff help children learn positive social skills by guiding them as young children and providing opportunities for play where children can practise their skills. Key social skills that help with friendships include cooperation, communication, empathy, emotional control and responsibility. All children go through friendship conflicts at some stage of their schooling. Encourage and discuss with your child some positive social skills and behaviours to use when this occurs – taking turns, asking questions, refusing to join in negative behaviours, following the rules of the game, cooperating and playing fairly.

### Assessments and Reports

The teachers at Hay PS have been very busy over the past few weeks collecting assessment data and beginning the process of writing student reports. They are pleased

with the progress each student has made and look forward to celebrating their achievements. Reports will go home on Friday 29<sup>th</sup> June, with Parent Teacher Interviews taking place the following week during Week 10. The mid-year report will give each child a grade for each key learning area, as well as an assessment of each child's effort in class. The descriptors of learning used in our reports are self-explanatory describing where each student is in relation to their grade expectation. I urge all parents to attend these interviews as they are a part of our reporting process, as well as a great opportunity to meet with your child's teacher and discuss any concerns you may have.

### District Cross Country

Well done to all students who attended the Deniliquin PSSA District Cross Country last Friday. Pleasing results were achieved by: Nate Clarke - 1st 10 years boys; Ben Clark - 2nd 11 years boys; Alice Booth (SOTA) - 2nd 10 years girls; Jim Houston - 3rd 11 years boys; Kyper Woods - 4th 8/9 years boys; Charli Giddins - 4th 8/9 years girls; Isabella Murray - 4th 11 years girls; and Bailey Caughey - 4th 12/13 years boys.

These students will be representing the Deni District at Gundagai on 14th June.

Have a great week!
