Principal's Report

Regional Cross Country

Well done to our Regional Cross Country team who competed in Gundagai last Thursday. These students all demonstrated a determination and focus to achieve, and many came away achieving their personal best on the day. Well done to Nate Clarke who has been selected to represent the Riverina PSSA in the state competition later in the year. Nate trains very hard in his running and his success is well deserved. The qualities of a successful sports person are the same as those for every student wanting to achieve: whether it is in the classroom, on the sporting field, hobbies and social pursuits. In order to improve, students need to take responsibility for their own learning. Focusing on the end goal, putting in the effort and having determination and drive will ensure success in all walks of life.

Reports

Semester One reports are due to go out on Friday 29th June. Reports give a snapshot of the educational progress that your child has made over the past semester, as well as their social development and commitment to learning. Teachers assess students at Hay Public school against state wide standards and use a rigorous assessment process in order to do so. In addition to written reports we encourage parents and caregivers to attend scheduled parent/teacher meetings. This is a worthwhile opportunity where parents and teachers can share important information about their child's talents, strengths, interests and needs. All parents are encouraged to attend these meetings and be involved in your child's learning as it is important to maintain strong communication lines between home and school. Parents/Teacher meetings are scheduled for next week. If you are unable to attend on the given day, please ring the school to make alternative arrangements.

Bullying is Everyone's Responsibility

The school has a duty of care to keep everyone safe and behaviour that causes concern should be dealt with in a timely manner. Anyone who is the victim or a witness to bullying has a responsibility to report it straight away and to keep on reporting it if it does not stop. It is the responsibility of the school to investigate any reports and deal with it under the Discipline Policy of the school. The school will act based on the information that they receive through their investigations. Parents need to be aware that there are many steps in the Discipline Policy that need to be followed and green slips, detentions and suspension are not always the end result. A copy of the school's Discipline Policy is published on the school's website and is reviewed regularly.

Language, Learning and Literacy

Kinder and Stage 1 classes are all implementing L3 within their classrooms. This program supports the regular classroom literacy program that is informed by the K-6 English Syllabus and Literacy Learning Progressions. It is wonderful to observe students becoming more independent and taking responsibility for their own learning during group rotations. Students are becoming successful readers and writers and are engaged in the varied literacy centres set up by their teachers. Kinder and Stage 1 teachers have all undertaken intensive professional training in order to ensure the program is implemented successfully and gains exemplary results.

Have a great week!

ENROL NOW FOR Ready, Set, Kinder Program

Once again Hay Public School will implement an extended Kindergarten transition program in 2018 called Ready, Set, Kinder. Children will access a variety of opportunities which will enhance their developing skills and prepare them for school life at Hay Public School in 2019.

All students entering Kindergarten at Hay Public School in 2019 are invited to participate in our 'Ready, Set, Kinder!' education program each Wednesday from 9:15 am to 3:00 pm in Terms 3 and 4 to undertake learning and familiarisation activities and to experience aspects of school life. This is an opportunity for them to explore and play in a new learning environment and will assist in helping them feel happy, safe and secure.

All children who are eligible to commence school in 2019 and are planning on enrolling at Hay Public School will have access to this program.

To reserve a place in the Ready, Set, Kinder! Program please call at the office to collect an enrolment package or call on 02 6993 1270 and we will reserve a place and post application forms.
