Principal's Report

Education Week

This week is Education Week and this year's theme, *Today's schools, creating tomorrow's world*, reflects our commitment to preparing students for the future with a sound education in their primary years. Our school has high expectations and maintains a focus on continuous improvement for our students, our teachers and our school. Students are at the heart of every decision that is made in education and we want every child's individual potential to be identified and developed by quality teaching in a supportive and safe learning environment. Great learning and teaching occurs in classrooms in public schools every day. During this week our school community will have the opportunity to visit the school to see first-hand the great things achieved every day by students and teachers.

Education Week Awards

This week we recognised the achievements of those who typify the Education Week theme *Today's schools, creating tomorrow's world* at our Education Week assembly. Congratulations to: Kerry Nevinson, for services to P&C and assisting to implement the ukulele program into our school; Kathy Duncan, for dedicated service to our Stephanie Alexander Kitchen-Garden program; Dylan Ilic, for courageously attempting all activities with great enthusiasm; and Ruth Headon for dedicated service to students' learning.

Ready Set Kinder

Today was the launch of our Ready, Set, Kinder program where our prospective students for 2019 enjoyed a Teddy Bears' picnic with their teachers Mrs Houston and Mrs Terblanche. Ready, Set, Kinder will continue every Wednesday for the remainder of the year and is an extended

transition program, designed to provide all of our students with a prior to school educational program.

Athletics Carnival

Congratulations to Oxley House who were declared overall winners of our Athletics Carnival, held last Thursday. The day ran perfectly with great participation from all students. Our age champions were: **Junior** – Emily Cai, Nathaniel Clarke, **11 years** – Isobella Murray, Jim Houston, **12/13 years** – Lucy Shea, Bailey Caughey. The District carnival is due to be held in Deniliquin on 10th August. Stage 1 students also had a successful day with Cobb House taking out the annual Jellybean Cup. Thank you to Mrs Houston and Mrs Shea for their expert organisation on the day.

School Crossing

I would like to issue a general reminder to take care around our school crossing in the mornings before school commences and in the afternoons at the end of the school day. Schools are busy places and crossings are a potential hazard if the rules are not observed and care is not taken by motorists. I therefore would like to remind motorists to slow down, observe the 40km/h speed limit and come to a complete stop when the crossing assistant is on the crossing. Motorists should not move off until the crossing is completely clear. Students are also reminded to use the crossing if being dropped off or picked up on the other side of the road by their parents.

Have a great week!
