Support Staff Recognition Week

The school community is made up of a lot of different people, all of whom play a part in the running of schools and the provision of quality education to students. School Administrative and Support Staff, whether they work in the office, the library, on the school grounds or in a classroom setting, are important contributors to the success of the school and children's education. I would like to recognise the support staff at Hay Public School who include: Mrs Joanne Dunn, Mrs Samantha Sorensen, Mrs Ruth Headon, Mrs Anna Lilburne, Mrs Cate Gaston, Mrs Debbie Jones, Ms Kirsten Hutchings, Miss Laura Zambon, Mrs Sue Terblanche, Miss Monica Andrews, Mr Shane Orchard, Mr Lloyd Brettschneider and Mr Glen Tonkin. I would like to thank them for supporting our students on a daily basis and for their dedicated contributions to Hay Public School.

UNSW Writing Competition

We have received some pleasing results in the recently held University of NSW Writing Competition. Fourteen students participated with four distinctions, four credits, two merits and four participation certificates. Distinctions went to Jackson McClure (Year 4), Jim Houston (Year 5), Amelia Everett (Year 5) and Bailey Caughey (Year 6); Credits went to Emily Caughey (Year 4), Devlin-James Clarke (Year 5), Lucy Shea (Year 6) and Indyanna Wilson (Year 6); and Merits were awarded to Archie Houston (Year 3) and Ben Clark (Year 5). Certificates for Writing will be awarded at the STAR assembly on the 14th September. Congratulations to all students who sat the test. Our results this year are outstanding.

Stage 2 Excursion

Stage 2 students and their teachers Mrs Rutledge, Mrs Books and Mrs Duncan travelled to Borambola Sport and Recreation Camp and Junee last week on a one night excursion. Students visited the Junee Liquorice Factory and took part in a range of outdoor activities at the camp. Excursions are an important part of school life in that they complement work studied in the classroom and assist students to be independent when away from their families for a short period of time. Thank you to the teachers for their dedication and care and to the students for their exemplary behaviour.

Attendance

Education is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children. ***If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.***

Have a great week!

School Uniform FAQ

Has the school changed its uniform policy?

Yes the school has changed its policy to come in line with the NSW Department of Education's new school uniform policy. Our policy now gives the students options to wear a dress or shorts and pants.

Has the school uniform changed?

No. There has been no change in the school uniform. Earlier this year our families were surveyed and the majority of families returned a vote to say they did not want to change our current school uniform.

If a girl wants to wear shorts and pants what are her options?

Every girl has the option to wear grey shorts in summer, grey pants in winter and a light blue, button up shirt.

I see girls wearing white shirts and navy pants and shorts. Is that a uniform option?

No, that has never been an approved school uniform option.

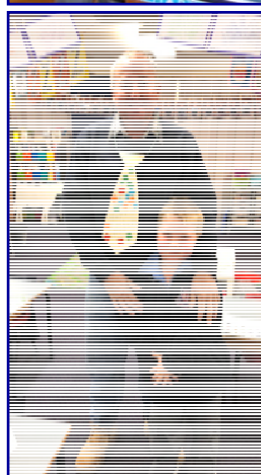

Is the blue button up shirt a polo shirt?

No, the blue button up shirt is not a polo shirt. It is made from cotton and buttons all the way down.

When can the girls start wearing the grey shorts and pants?

They can start immediately.
