All Welcome

Principal's Report

Parliamentarian Nominations

Nominations opened on Monday for the positions of student leaders in 2019. Students from Year 5 are eligible to stand for election if they have demonstrated good conduct, are excellent role models to other students and uphold the traditions of Hay Public School (eg, wear the correct school uniform on a daily basis and follow the code of conduct). Nomination forms are available from the front office and are to be handed in by Friday 23rd November. After nominations are confirmed, speeches and elections will be held to elect twelve parliamentarians for our school. Speeches and voting for parliamentarians will take place on Monday 3rd December.

Planning for 2019

Plans are currently underway for 2019 and our enrolment numbers look as if they will be stable at the beginning of next year. Our current enrolment is 183 and currently we have 25 students enrolled to attend Kindergarten next year. Therefore, our projected enrolment for next year is 186. At this stage, we will keep the same number of classes as the Department is committed to maintaining the current staffing levels for schools in drought-affected areas. It is most important to let the school know of any students who will be likely to leave the school in 2019 and of any students who are likely to enrol in the school in 2019.

Needs Based Funding

Recently the school received notification of its needs based funding for 2019. Each year schools are assessed as to their complexity, isolation and the profile of the student

body and given an allocation to support teaching and learning. This allocation is then spent in various ways to improve the opportunities and learning outcomes for our students. An example of how the school is spending its allocation is in the Kitchen-Garden program, Ready, Set, Kinder program, Homework Club, Breakfast Club, Kids in Performing Arts program, employing an Instructional Leader to work with teaching staff, extra staffing to support classroom learning and the implementation of intervention programs for individual students in literacy and numeracy.

End of Year Evaluations

Recently we have held an evaluation of our 2018 School Plan. Our strategic directions, student wellbeing, staff wellbeing, teaching, learning and parent involvement were all evaluated. Findings of the evaluation include: our student population is well supported with the various programs and personnel in the school; staff have been working in a collegial manner with a whole school focus; quality teaching is well embedded into every classroom with support from our Instructional Leader, Mrs Murphy; students are more engaged in their mathematics after a whole school focus on number sense, problem solving, working mathematically, coding and robotics; and there has been an increase in the number of parents becoming involved with the school and with their child's learning. As we move into the second year of our plan in 2019, our focus will be to further strengthen all of these areas.

Have a great week!

FREE child car seat safety check

2 in 3 car seats are not being used properly

Make sure your child is safe with a free inspection by an Authorised Restraint Fitter.

You can have your car seats, harnesses and booster seats checked for safety and fit.

We're holding a free child car seat checking day in Hay at the Hay Park, near the community building - bookings essential.

DATE: Wednesday 5 December 2018
TIME: 9.30am to 12.30pm
LOCATION: Hay Park (near the community building)
 Morgan Street, HAY

For bookings contact Trish Suckling at Roads & Maritime Services on 02 6923 6544 or 0488 987 916

For information about child car seat safety go to www.childcarseats.com.au

Please note: if any parts are required (e.g. buckle/straps) this will be the responsibility of the parent/carer.
