## Principal's Report

Welcome back to Term 4 to what should be a very busy and productive term for all students. Hopefully all students have relaxed and are ready to engage in some exciting learning opportunities for the remainder of 2019. This term I encourage parents to pay particular attention to their child's school attendance. Attendance at school each and every day will maximise the opportunities for students to progress in their learning at the expected levels. Students are expected to attend school every day that school is open unless there is a justified reason for not doing so.

## Student Support Officer

This term the school has employed Loryn Johnston who has been appointed as a Student Support Officer. Loryn will be working directly with students to support their emotional health and wellbeing and to help improve their resilience in the school setting. Loryn has a background in social work and counselling and brings much experience in working with children. We welcome the addition of Loryn to our staff.

## School Uniform

The weather has been warming up and students should now be wearing their full summer uniform including black school shoes for both boys and girls. Please make sure that your child is dressed neatly and tidily at all times. Students are reminded to wear the correct school, sun-safe hats at all times during play. School hats are for sale at the front office for \$12 if your student

needs a new hat. The rule is no school-hat; you must play under the sheltered areas.

## Breakfast Club

Just a reminder a free breakfast program runs every morning in the school kitchen. Any student who would like to access this program is asked to be at school between the times of 8:45am and 9:00am where a healthy breakfast will be served. Research shows that students concentrate better in the classroom after eating a good, healthy breakfast in the morning.

## Calendar

A calendar of events for this term is enclosed in this newsletter. It is a ten week term with students finishing their school year on Wednesday 18<sup>th</sup> December. Please note the important dates such as Presentation Day (17<sup>th</sup> December), Swimming School (2<sup>nd</sup> December – 13<sup>th</sup> December) and Year 6 Farewell (12<sup>th</sup> December). Our first assembly will be held this Friday and will be a STAR assembly.

## Swimming School

Swimming School will be offered to all students this term and we thank the P&C for helping to subsidise this wonderful program for our students.

Have an enjoyable term!
