Principal's Report

Stage 3 Excursion

This week our Stage 3 students and their teachers are on their major excursion to Canberra. Students have been completing units of work on 'Government, Democracy and Australia as a Nation' in the classroom and the visit to Parliament House and the Electoral Education Centre will provide further insight into the learning that has taken place. Other places to be visited include: Questacon, Science and Technology Centre, National Museum, Australian War Memorial, Royal Australian Mint and the Australian Institute of Sport. I look forward to hearing all about the excursion highlights upon the students' return. Thanks to Mrs Simpson for her organisation of this excursion and to Mrs Cullenward, Miss Jamieson, Mrs Duncan and Ms Jones for providing supervision for our students whilst they are away.

School Council

Next week will be the Annual General Meeting of our School Council. Thank you to Carol Huggins who has nominated to be a parent representative on our Council. She will take the place of Cameron Clark who has come to the end of his term as a parent representative. Cameron is thanked for his contributions to the School Council over many years. We are still seeking a community representative for our School Council. Please contact the school if you are interested. School Council is a decision making body within the school whose job is to review policy and procedure. They meet once a term, usually in Week 6.

150 Year Anniversary

This week is the final week that the school will be taking orders for the commemorative path. Preparations are well underway for our celebrations in September and the path

will be opened on Saturday 21st September when past and present students and staff will be in attendance. Please contact Samantha Sorensen at the front office before the end of this week so that orders can be finalised. On sale at the school is a book that outlines the 150 years of history of Hay Public School. Books are selling for \$40 and can be purchased from the front office.

No Greenslip Reward

As part of our school's discipline policy, students who observe the school rules on a daily basis receive a reward at the end of every five weeks. Positive behaviours of respect, responsibility, co-operation and perseverance are encouraged daily and this is one way that students can be recognised for consistently doing the right thing. Last week, students who had not received a greenslip in the past five weeks, were rewarded by their class teacher. Thank you to the majority of students who follow our school rules on a daily basis.

Sporting Commitments

This term has been extremely busy with extra sporting commitments impinging on the amount of time students have spent in the classroom. Teachers are mindful of the amount of time that some students are missing from school and have put strategies in place to catch them up with their schoolwork. I would like to emphasise how important it is that students attend school on a daily basis and do not miss school for unjustified reasons. Shopping trips, birthdays, sleeping in and tiredness are not justifiable reasons for missing school.

Have a great week!

SPORTS NEWS

Mortimer Shield

The Mortimer Shield rugby league and league tag teams played in Griffith last Thursday under the supervision of Mrs Books and Mrs Houston.

The girls had a sensational day and won their 3 pool games convincingly, but unfortunately went down to a well drilled Griffith team in the finals.

The boys had a tough draw playing the strong teams of Griffith Public A and Griffith North in the pool games. They were lucky enough to win their consolation final against Griffith Public B.

Thank you to Mrs Books and Mr Mijok who coached our teams on the day as well as the parents who helped with transport.

Rugby Union Trials

Jim Houston and Seth Gray attended the Riverina rugby union trials in Wagga last Friday. From all reports, both boys played well. Jim was lucky enough to be picked as a shadow player for the team.
