Principal's Report

Return to School

The NSW Government is preparing for all children to return to school with an increase in face-to-face teaching in Term 2.

From May 11 (Week 3), the school will transition in to Phase 1 where all students will be asked to attend school one day per week. This will occur in a staged way based on your child's House group. Students are asked to attend school next week as follows:

Monday – COBB

Tuesday – OXLEY

Wednesday – STURT

Thursday – CADELL

Friday – School will be open for children who need to be at school.

Children are asked to report to their own classroom and bring in their Week 3 work packs. Parents are asked not to come onto school grounds and to say goodbye from the car or from the outside of the school gates. Buses will run as normal.

The school canteen will be open from May 11 with pre-orders available for lunch and recess. Students will not be lining up at the canteen and orders will be delivered to each classroom.

We acknowledge that there is a great deal of concern about people's personal safety during the COVID-19

pandemic, but the risk to children is lower and the benefits of school are great. The health and wellbeing of children and young people, our carers, teachers and staff, are our top priority.

If your child is unwell or if you have concerns about your health or the health of another member of your household, please seek medical advice before your child attends school.

Please follow all health advice and keep your child at home if they are unwell or have a respiratory illness.

Attendance

Students who have been actively participating in their home learning and are returning their work packs have been marked present. Students who have not returned their work packs, or have not contacted the school have been marked as absent.

Work Packs

Week 3 work packs can be collected from the front of the school. Parents are able to contact the school and request that their pack is posted if it is inconvenient to come to school to collect. Students who are attending school each day will have their work packs supplied to them at school.

Keep well, keep safe and look after each other.

Carol Oatway

Principal

DONATION FOR CLOTHING POOL

Donations of uniforms are urgently needed for our clothing pool.

Families urgently require:-

- * Winter tunics
- * White shirts
- * Sports shirts
- * Navy jumpers - especially larger sizes.

Your donations would be greatly appreciated.

SCHOLASTIC Book Club**BOOK CLUB IS HERE—Virtual Catalogue while Students Learn from Home**

In these unprecedented times we're all being asked to change the way we work and live. Our tradition of putting books into the hands of kids isn't going to change, but for Term 2, we're doing things a little differently.

Doing things differently does not change our goal, that goal is more important than ever!

For the first time in the history of Scholastic—we will have a Virtual Book Club for Term 2

Every child will still have the opportunity to access their Book Club catalogue.

The same carefully selected, best-value books will still be available, so the enjoyment Book Club is known for will not change!

We ask that you continue to work with us to maintain our unique distribution partnership with schools. This means we can keep on putting traditional delivery costs back into offering the best prices and the best selection of books!

All orders will still be delivered to the child's school as normal, but

getting the books into their hands is where we are asking for your help!

Ready to Run

Click below to access the Virtual Catalogue.

Recommended return-by-date
Monday 18th May.

**Any questions or need help**

Please call us on
1800 021 233*

We are here to help.

*Please contact us by 1st May 2020.

To view the virtual catalogue enter the address below into your browser

**CommBank School Banking**

The health, safety and wellbeing of our communities and our people remains our highest priority. Due to the ongoing uncertainty surrounding coronavirus, the School Banking program will remain on hold. We will continue to monitor the situation and keep you informed with any updates including how we will be managing Dollarmite tokens for students.
