Principal's Report

Return to School

This week we entered into Phase I, where students have been invited to attend school one day per week as follows:

Monday – COBB

Tuesday - OXLEY

Wednesday - STURT

Thursday - CADELL

Friday – School will be open for children who need to be at school.

Students have all been working in their own classrooms this marked as absent. week and with their own teachers. School is open every day for students who need to be here. No child will be Work Packs turned away from school.

Social Distancing

Where possible, parents and carers are asked not to be present on the school site or to enter classrooms. Parents are asked to 'Kiss and Drop' their children at the school these packs at school and at home. gate in the morning and wait at the gate in the afternoon. The school canteen will be running as normal with physical distancing measures and hand hygiene firmly in place. Parents can pay money to the canteen online, through the your hands. 'Make a Payment' section on the school's website or money can be dropped into the front office. Students are able to take money and orders to the canteen every day.

Health Advice

We acknowledge that there is a great deal of concern about people's personal safety during the COVID-19 pandemic, but the risk to children is lower and the benefits of school are great. Please follow all health advice and keep your child at home if they are unwell or have a respiratory illness.

Attendance

Students who have been actively participating in their home learning and are returning their work packs have been marked present. Students who have not returned their work packs, or have not contacted the school have been

Fantastic work from home - 6SC

Why you should watch Wonder

by Sophie Tapper 6SC

Looking for something to do this weekend in isolation? The shops have restocked with popcorn and mum's gone shopping, plus you got unlimited data? Well may I suggest Watching Wonder? Wonder teaches you very important values. It teaches you to never bully, everyone is different and to never give up!

You should watch wonder because it teaches you to never bully. No one should bully because it may make you feel better than everyone, but let's be real, no one, I mean no one wants to hang out with a bully. Leaving you with no friends and now a reputation of the mean bully. Well I dare you to watch Wonder and see how Julian feels. Not to mention you will suffer the consequences! It may ruin your relationships with your teachers and your principal. For example, think about the kid you're bullying. He/she may feel very bad about themselves and ruin their self esteem as well they may not talk to someone about it making you feel like that you've won, but really you have just hurt an innocent kid. That is why you should watch Wonder.

Which brings me to my next point, by watching Wonder let you know that everyone is different just because everyone is not as perfect as you or has not as nice clothes and isn't as good as sports. This doesn't mean a person is an outsider because you are who you are, and you need to embrace it! For example lots of people are good at different things and have different trades, You may not be as good as kicking a ball and they are not as good as fractions. That doesn't mean you get to put someone down, because everyone is different. That's why you should watch Wonder!

Thirdly watching Wonder gives you a very important skill in life: NEVER GIVE UP!! To never give up means always believing in yourself, willingness to accept that things may not go your way and learning to persevere and never backing down. For example 'no one has the power to shove you down the tree but when you fall you never give up and star climbing' - Nicholas sParks (It's supposed to be spelt that way). This is why you need to watch wonder!

To conclude just by watching a heart-warming story, Wonder teaches you to never bully, everyone is different and to always never give up! So get your popcorn and start binging now!

The boys from Red Country by Harry Duncan 6SC

There was movement at the station for the word had got around that the rain was coming to the dry ground. Red and Murray could finally join old Blue and his ready hound for they knew they would soon be getting down.

The muddy claypans and tracks were ready for the circlework. You see they had flooded well overnight. Yes, these boys love circle-working on the clay pans all the day and the parents can see the mess in daylight

Poetry by Lachlan Spence

The wind howled throughout the night, The stars barely showed through the clouds, Being out in the bush alone was not a delight, Even though, the wind still howls.

SCHOLASTIC ** Book Club

BOOK CLUB IS HERE—Virtual Catalogue while Students Learn from Home

In these unprecedented times we're all being asked to change the way we work and live. Our tradition of putting books into the hands of kids isn't going to change, but for Term 2, we're doing things a little differently.

Doing things differently does not change our goal, that goal is more important than ever!

For the first time in the history of Scholasticwe will have a Virtual Book Club for Term 2

Every child will still have the opportunity to access their Book Club catalogue.

The same carefully selected, best-value books will still be available, so the enjoyment Book Club is known for will not change!

We ask that you continue to work with us to maintain our unique distribution partnership with schools. This means we can keep on putting traditional delivery costs back into offering the best prices and the best selection of books!

All orders will still be delivered to the child's school as normal, but

getting the books into their hands is where we are asking for your help!

Ready to Run

Click below to access the Virtual Catalogue.

Recommended return-by-date Monday 18th May.
