Principal's Report

Parent / Teacher Interviews

Reports will go home on Friday 7th August, with parent/ teacher interviews being conducted via phone this year. The classroom teachers will be contacting parents after reports are sent home to arrange a mutually convenient time to discuss their child's growth and achievement in learning during Semester 1.

School Uniform

As the weather continues to become cooler it has been noticed that colourful hoodies, jumpers, scarves and beanies have made their way to school. Wearing a school uniform is an important part of school life. The students look unified and wonderful when they are all in school uniform. If students wish to wear scarves or others items of warm clothing, it is recommended that they are in school colours. The school expects all students to wear the correct school uniform and supports students in accessing the correct items of clothing. Please contact me at school if you require support for your child to access the school uniform.

The Importance of Learning

Learning builds confidence and a child who is confident is more open to new opportunities to learn. Parents are encouraged to talk positively about the importance of education with their child. Let your

child see how much you enjoy and value learning and remember, it's ok if you don't have all the answers to your child's questions, but is important to show that you know how to find the answers. The beautiful thing about learning is that nobody can take it away from you.

Assemblies

Assemblies have resumed this week for students and teachers only. Last week we held a ZOOM assembly that was videoed and shared on our school Facebook page. This week we will attempt an outdoor assembly with physical distancing measures in place. We will again video and share on our school's Facebook page.

Health Advice

We continue to work around the latest health advice which states that school is safe for children but restrictions need to be placed on the number of adults allowed on school site. For this reason parents are asked to farewell and collect their children from behind the school gate and not enter classrooms. Please follow all health advice and keep your child at home if they are unwell or have a respiratory illness.

Hand hygiene and physical distancing remain most important. Stay well and stay safe.

Have a great week!
