Principal's Report Contact Tracing

Whilst some restrictions have eased, parents and carers, volunteers and other adults are still not able to enter our playgrounds or classrooms. Any adult entering the school grounds needs to come through to the front office to have their name recorded for contact tracing purposes. Any adult presenting at the school canteen will also need to have their name recorded. Canteen payments can be made via our school website under the 'Make a Payment' section. This form of payment is encouraged to minimise contact.

Attendance

Attendance at school is important and it is a legal requirement that children are to attend school every day that it is open unless there is a justified reason for not doing so. Justified reasons would include illness, family bereavement or medical appointment. Unjustified reasons would include shopping, tiredness, birthdays and family holidays outside of school holidays. Students who are ill for more than three days in a row are required to provide a medical certificate from their doctor. Parents who do not explain absences via a phone call, email or returned text message could be referred to the Department's Home School Liaison Officer for further follow up. It is important that you make contact with the school at all times.

Behaviour

It is always important that the school and families work together when students make poor behaviour choices. When students see that the school and the family are working together to support a positive change in behaviour, it is most likely to occur. It is important for teachers and parents to keep the lines of communication open. If you

have any concerns about your child at school, the first line of contact is always the class teacher. More serious concerns can be brought to the attention of the principal or the deputy principal.

Reporting to Parents

Reports will go home on Friday 7th August, with parent-teacher interviews being conducted via phone this year. The classroom teachers will be contacting parents after reports are sent home to arrange a mutually convenient time to discuss their child's growth, development and achievement in learning this year.

Assemblies

Assemblies are taking place weekly via ZOOM. At this stage parents and guests are still not able to attend the school site and assemblies greater than 15 minutes cannot take place.

Health Advice

We continue to work around the latest health advice which states that school is safe for children but restrictions need to be placed on the number of adults allowed on school site. For this reason parents are asked to not enter classrooms or the playground. Please follow all health advice and keep your child at home if they are unwell or have a respiratory illness.

Hand hygiene and physical distancing remain most important. Stay well and stay safe.

Have a great week!

SPORTS NEWS

Hay Public School Athletics Fun Day Carnival.

To celebrate Education Week 2020, Hay Public School will be running a whole school Athletics Fun Day on Thursday 6th August, at school. This will be a whole school event with rotational activities for all students to enjoy. Children will be encouraged to dress in their house colours and will be provided with a special lunch and recess.

This carnival will not replace the School Athletics Carnival and we will still aim to run a carnival when restrictions are eased. It is still undecided if the Deniliquin Zone Athletics carnival will go ahead, but all schools in the region would like to work towards holding one, even if it is in Term Four.

In light of this, students are reminded to keep their fitness up to ensure that they are ready to hit the track and field as soon as we can!

This week's home fitness challenge. Enjoy!

PS. I'd love to hear of anyone who can complete 5 of these in a week! Mrs Houston

School Banking is returning in Term 3!

School Banking is coming back! School Banking Day will be **Monday**, commencing on **27 July 2020** (Term 3, Week 2).

School Banking is a fun, interactive and engaging way for students to learn about money and develop good savings habits. For each weekly deposit made at school, students will receive a silver Dollarmites token. Once they collect 10 tokens, they can redeem them for a School Banking reward.

If your child has previously participated in School Banking, or has an existing Commonwealth Bank Youthsaver account, they can start banking straight away by bringing their Dollarmites deposit wallet to school on School Banking day.

ENROL NOW FOR Ready, Set, Kinder Program

Once again Hay Public School will implement an extended Kindergarten transition program in 2020 called 'Ready, Set, Kinder!'. Children will access a variety of opportunities which will enhance their developing skills and prepare them for school life at Hay Public School in 2021.

All students entering Kindergarten at Hay Public School in 2021 are invited to participate in our 'Ready, Set, Kinder!' education program each Wednesday from 9:15 am to 3:00pm in Terms 3 and 4 to undertake learning and familiarisation activities and to experience aspects of school life. This is an opportunity for them to explore and play in a new learning environment and will assist in helping them feel happy, safe and secure.

All children who are eligible to commence school in 2021 and are planning on enrolling at Hay Public School will have access to this program.

To reserve a place in the Ready, Set, Kinder! program please call at the office to collect an enrolment package or call 02 6993 1270 to reserve a place and post application forms.
