### Principal's Report

#### Athletics Carnival

On Friday the school will hold its annual athletics carnival at the Hay Park oval. All students, K-6, will be involved and we are expecting a successful day full of participation and cheers. Students will walk to the oval in their house groups and the carnival will commence with a march past. Students are asked to dress in their house colours, showing support for their team. A canteen will be operating on the grounds and our P&C are seeking donations of cakes, slices and biscuits to be sold on the day. Volunteers are also needed to help serve in the canteen. All parents, grandparents, extended family and community members are invited to the oval this Friday to cheer for our students.

#### Parent-Teacher Interviews

Parents are reminded to book interviews with their child's class teacher. Interviews will take place next week and the teachers would like the opportunity to discuss each student's learning achievements with parents. Interviews provide parents with specific details about each child and enable parents to ask questions, discuss concerns and to know how they can assist their child. Booking details are in the Hay Happenings, or interviews can be booked by phoning the front office.

#### Principal's Lunch

Congratulations to the following students who will accompany the principals to lunch at the Hay Bowling Club Chinese Restaurant on Wednesday: Noah Clarke, Manda Giddins, Lane Mohr, Thomas Maloney, Nina Schiller, Charlotte Clarke, Pypa Foggo, Grace Auldish, Harper

Sorensen, Jeremiah Sutor, Biankah-Leigh Coleman Erin Fitzpatrick, Bill Houston, Angel Clarke, Hannah Jamieson, Kyper Woods, Laila Wilson and Caitlin Lund. All students have been invited because of their exemplary behaviour this term and for always following our school rules. Well done to all students.

#### Attendance

Students who are ill for more than three days in a row are required to provide a medical certificate from their doctor stating that it is necessary to be absent from school. As well, students who have had a substantial amount of sick leave over the past six months will have to supply a medical certificate every time they are ill. Parents will be phoned by the front office if they are required to supply a medical certificate for their child.

#### Behaviour

It is always important that the school and families work together when students make poor behaviour choices. When students see that the school and the family are working together to support a positive change in behaviour, it is most likely to occur. It is important for teachers and parents to keep the lines of communication open. If you have any concerns about your child at school, the first line of contact is always the class teacher. More serious concerns can be brought to the attention of the principal.

Have a great week!
